Schedule Changes for the 22-23 School Year

Students who would like to make changes to their schedule for the 22-23 school year can meet with their school counselor starting on Thursday, June 2 until the last day of school.

Counselors will make every effort to accommodate student requests; however, we do have many classes that are already at capacity. A wait list will be created for classes that are full with priority given to students who need the class to fulfill a graduation requirement.

Principal's Corner

Mr. Tim Britton

Hello Warriors!

You've almost made it! It's the last week of the school year!

I want to wish all the students, staff and parents a safe and relaxing summer. This has been a great year having students back in the building again. I know that we were and still are dealing with the effects of Covid, but our students and staff truly stepped up to the challenge and made the best of it. We had so many highlights and growth from sports, music, art, theater, clubs, and academic achievement. My hope is that our students and staff get the rest and relaxation they truly deserve and return to school with a new sense of urgency to reach new heights and academic excellence.

Classroom teachers will be collecting textbooks, English books, calculators, and other school materials this final week. Any materials not turned in will be issued an obligation. Students in the 9th-11th grade **returning to Sherwood** may keep their Chromebooks over the summer. If your child is moving out of state or is planning on attending a non-MCPS school, he/she must return the Chromebook.

Students if you have not completed your 75 hours of required student service learning, summer is a great time to finish your hours. There are many opportunities throughout the county in which you can serve and complete those hours. [For opportunities, please see here.](#) (You can find your completed hours in StudentVue.)

Parents and Students: Summer (FREE) Tutoring is available. [For more information, please see the flier here.](#)

Class of 2023 seniors and their parents are encouraged to meet with their Sherwood counselor for senior year planning, the college application process and post-secondary discussion. Sherwood counselors are available by appointment during the summer months for these meetings. [Please visit the Sherwood Counseling website for meeting scheduling links with your assigned counselor.](#) Mr. Joseph Hock in the College and Career Center is also available by appointment during the summer.
