Important Dates

June 17th: Early Release, Last day of school

Schedule Changes for the 22-23 School Year

Students who would like to make changes to their schedule for the 22-23 school year can meet with their school counselor starting on Thursday, June 2 until the last day of school. Counselors will make every effort to accommodate student requests; however, we do have many classes that are already at capacity. A wait list will be created for classes that are full with priority given to students who need the class to fulfill a graduation requirement.

Principal's Corner

Mr. Tim Britton

Hello Warriors!

Yearbooks are here! Students who have paid for a yearbook can collect from room C117.

End of year material collection has begun. Our classroom teachers will be collecting textbooks, English books, calculators, and other school materials in the classroom. Students in the 9th-11th grade **returning to Sherwood** may keep their Chromebooks over the summer. If your child is moving out of state or is planning on attending a non-MCPS school, he/she must return the Chromebook.

Parents and Students: Due to low registration numbers we will only be running our AP NSL Camp this summer. We wish all of our students, staff, and community a safe and restful summer!

And, speaking of summer; students if you have not completed your 75 hours of required student service learning, summer is a great time to finish your hours. There are many opportunities throughout the county in which you can serve and complete those hours. [For opportunities, please see here.](#) (You can find your completed hours in StudentVue.)

Students, we are in the last stretch of the year. Please hang on, focus, and do your best work to finish Sherwood Strong. You can do it!

Have a great week and One Sherwood!

MY CHILD HAS COVID-19 WHAT DO I DO?

If your child tests positive for covid-19, please call or email the school attendance secretary. Our secretary will notify the administration, school nurse. Please inform your child's teachers so students can be excused or make arrangements for make-up work.

Please remind
students to
charge their
devices and bring
them to school
each day!
