Dear Kingsview Families:

Welcome to the 2023-2024 school year! I hope you are enjoying the summer reconnecting with family and friends. I also hope you are looking forward to the start of a new year. It has been an exciting summer thus far. I have worked with my incredible administrative and leadership teams to hire great staff who are committed to providing students with quality instruction every day. I look forward to collaborating with students, parents, and staff to continue our legacy of excellence and build on our achievement in the upcoming year.

**SCHOOL SCHEDULE** – Classes will begin at 8:15 a.m. and end at 3:00 p.m. Students should arrive between 7:50 a.m. and 8:05 a.m. **Please note that students are not able to enter the school each morning until 7:50 a.m. Staff members are not available before 7:50 a.m. to supervise students. Students should be picked up by 3:15 p.m.**

**ARRIVAL/DISMISSAL** - If you drive your child to school, please leave early as the drop-off area can become very congested. It is also very important that you follow all the directions of the crossing guards on both Hopkins Road and the parent drop-off. Crossing Guards are an extension of the Montgomery County Police Department and failure to adhere their direction may result in fines. Please be aware of the **“Right Turn Only”** sign as you leave the parent drop-off loop. In addition, please remember that some of our students cross Clopper Road and Father Hurley Boulevard when walking to school. Therefore, it is extremely important that you obey the speed limit along Clopper Road and Father Hurley Boulevard and look both ways when making any turns. Please be aware of the traffic sign **“No Turn on Red”** at the corner of Clopper Road and Kingsview Road.

**FIRST DAY** – **We are very excited to welcome all of our students on Monday, August 28<sup>th</sup>.** We are excited to have a typical experience as masks are not required to enter the building. However, students can choose to wear a mask to enter the building. All students will report directly to their homerooms by 8:15 a.m. in order to receive their schedules and other important information. Posters containing homeroom lists will be displayed around the school, and the information will be available in the Back-to-School Resource Bank on the Kingsview website. Please keep in mind that students will need to carry anything they bring throughout the entire day, as they will not receive their lockers until later in the week. **Therefore, students only need to bring their MCPS issued Chromebook, pens, pencils, and a folder with loose-leaf paper or a spiral notebook in a small backpack.** Be advised, all 6<sup>th</sup> grade students and students new to MCPS will receive their Chromebook during the first week of school.

**BUS ROUTES** – Bus routes and schedules will be available in the Back-to-School Resource Bank on our website. If your child will be using bus transportation to travel to and/or from school, please remember that there will likely be some delays and adjustments at the beginning of the school year. Since bus ridership is often at its highest levels during the first few weeks of school, some buses may need to make additional runs to accommodate students at the beginning of the school year. Thank you in advance for your patience and understanding.

**IMMUNIZATION REQUIREMENTS** – Maryland has immunization requirements for all students entering 7<sup>th</sup> grade or new 8<sup>th</sup> grade students entering MCPS. All students entering Grades 7 and 8 must have received the tetanus, diphtheria, and a cellular pertussis (Tdap) vaccination and meningococcal (MCV) vaccination before the first day of school. **Students not in compliance with the new requirements will be excluded from attending school.** Please see the attached letter with more information.

I am happy to announce the members of our administrative team! This school year, Ms. Anita O’Neill, formerly an assistant principal at Blake High School, has joined our staff as a principal intern. As a principal intern, Ms. O’Neill will perform the duties of an assistant principal while simultaneously shadowing the principal and preparing for her future role as a principal.
