

Office of the Superintendent of Schools  
MONTGOMERY COUNTY PUBLIC SCHOOLS  
Rockville, Maryland

October 16, 2019

MEMORANDUM

To: Members of the Board of Education

From: Jack R. Smith, Superintendent of Schools

Subject: Student Attendance Pathway and Engagement (07-29-19-04-A, 07-29-19-04-B, 07-29-19-04-C, 07-29-19-04-D)

During the *Student Attendance Pathway and Engagement* discussion, Board members requested the following information:

**Question A**

Ms. Dixon requested information regarding the ability of students to read on grade level by Grade 3: Disaggregate the data across all schools, all social-economic areas, and all demographic areas.

**Response**

The 2018–2019 Maryland Comprehensive Assessment Program English Language Arts/Literacy Performance results indicate that 50 percent of Grade 3 students earned a 4 or 5 performance level result, indicating that students have met or exceed expectations. The data tables attached provide a complete summary of the performance level results of student groups for Montgomery County Public Schools (MCPS) overall and by school.

**Question B**

Ms. Dixon requested information regarding the ability of students to do multiplication by the end of Grade 5: Disaggregate the data across all schools, all social-economic areas, and all demographic areas.

**Response**

Mrs. Niki T. Hazel, associate superintendent for curriculum and instructional programs, Office of the Chief Academic Officer, met with Ms. Dixon on August 26, 2019. Mrs. Hazel explained that MCPS does not collect data on a student's ability to do multiplication by the end of Grade 5. Multiplication facts are embedded in the Common Core State Standards domains: Number and Operations Base Tens and Number and Operations Fractions.

**Question C**

Ms. Dixon requested information regarding the ability of students, by the end of Grade 9, to be able to attend and pass an Algebra class with a grade of B or better, and the students' ability to then move on to higher-level math courses.

**Response**

Please refer to the following chart for specific data.

**Number and Percentage of Grade 9 Students who Completed Algebra 1 with a Course Mark of B or Higher by Grade 9 at the End of the 2018–2019 School Year**

Student Groups	N Grade 9 Students Enrolled	N Completed Algebra 1 Course with B or Higher Course Mark	% Completed Algebra 1 Course with B or Higher Course Mark
All	12,617	8,022	63.6
Asian	1,841	1,585	86.1
Black or African American	2,687	1,452	54.0
White	3,646	2,940	80.6
Hispanic/Latino	3,901	1,653	42.4
All Other Student Groups	542	392	72.3
Free and Reduced-price Meals System (FARMS)	4,074	1,719	42.2
Special Education	1,233	380	30.8
Limited English Proficiency	1,893	479	25.3
Non-FARMS White/Asian/All Other Student Groups	5,490	4,581	83.4
Non-FARMS Black or African American	1,412	856	60.6
Non-FARMS Hispanic/Latino	1,641	866	52.8
FARMS White/Asian/All Other Student Groups	539	336	62.3
FARMS Black or African American	1,275	596	46.7
FARMS Hispanic/Latino	2,260	787	34.8

**Question D**

Mrs. O'Neill requested that staff conduct a review of the loss of credit process in high schools for any possible improvements.

**Response**

For the 2019–2020 school year, the offices of Curriculum and Instructional Programs and School Support and Improvement have worked with principals and stakeholders to update procedures

for Attendance Intervention and the practice of “E3,” which refers to a failing grade that a student receives subsequent to an ongoing attendance intervention plan and continued chronic absenteeism after the intervention plan is implemented.

As background, this process has been in place beginning with the 2010–2011 school year, when MCPS eliminated the Loss of Credit, which was the practice to automatically remove credit in a course based on five unexcused absences. The change at that time was an effort to align with standards-based grading practices and focus on attendance intervention and support. Following that time, high schools have implemented school-based attendance intervention plans, which require students to improve attendance or risk failure in the course, and schools have issued E3s as final grades.

In an effort to improve consistency of the implementation of Attendance Intervention Plans across schools, revisions have been made to Regulation JEA-RA, *Student Attendance*. The revisions clarify the conditions under which a student may lose credit due to chronic absenteeism.

The Secondary Grading and Reporting Work Group will continue to meet throughout the year to make recommendations for 2020–2021 and beyond. “How attendance factors into a grade” is part of the work group’s charge. It is expected that the members of the work group will bring forward recommendations during the 2019–2020 school year.

If you have any questions, please contact Dr. Maria V. Navarro, chief academic officer, at 240-740-3040.
