### **Linkages to Learning**

Linkages to Learning (LTL) assists students and their families by providing or connecting them to services and resources that address the social, economic, health, and emotional issues which may interfere with student success. We assist whole school communities by bringing additional partners and resources into the school house to offer a range of supports and opportunities to students and families. Services are provided by geographic service area for the four service providers for LTL; the City of Rockville, Every Mind, Sheppard Pratt, and Young Men's Cristian Association (YMCA). Presently, the services are available at 21 elementary schools and 6 middle schools for the 2021-2022 school year. Beginning in the 2022-2023 school year, services will be provided at two additional schools, Gaithersburg Elementary School #8 and Odessa Shannon Middle School.
