Re: Operating Budget Review

The members of the Board of Education continued their review of the FY 1981 Operating Budget and requested additional information on the following:

1. Mrs. Wallace requested a break-out of summer school versus adult education to make sure that adult education was self-supporting.

2. In regard to continuum education placement, Mr. Ewing asked for a paper on how the staff arrived at the 700 figure for placements this year when they had 900 students placed this year.

3. Mrs. Wallace asked that the staff consider a better description of what the teacher specialists did and a better title for these positions.

4. In reference to the Division of Vision Programs, Board members requested a paper justifying the addition of a 12-month vision program aide (office assistant I).

5. Board members asked for a paper on the Kensington satellite program.

6. In regard to the secondary learning centers, the superintendent and Board members asked for a paper describing the typical schedules of students at Gaithersburg and Walter Johnson High Schools.
