RESOLUTION NO. 445-95 Re: CHANGE ORDERS OVER $25,000

On recommendation of the superintendent and on motion of Mrs. King seconded by Mr. Abrams, the following resolution was adopted unanimously by members present:
WHEREAS, The Department of Facilities Management has received change order proposals from various contractors that exceed $25,000; and

WHEREAS, Staff and the project architects have reviewed these change orders and found them to be cost effective; now therefore be it

Resolved, That the Board of Education approve the following change orders for the amounts indicated:

Activity 1

Project: Rocky Hill Middle School

Description: The Montgomery County Department of Transportation and the Maryland State Highway Administration required a deceleration and left turn lane along Route 355 as well as improvements to Wims Road for safe access to Rocky Hill Middle School. Funds for this work were recently approved by the County Council as part of the FY 1996 Capital Budget appropriation. The cost for the road improvements is based on predetermined unit prices for paving, curb and gutter, and grading that were included in the earthwork contract.

Contractor: Accubid Excavation, Inc.

Amount: $259,413

Activity 2

Project: Rocky Hill Middle School (Related Contract)

Description: The road improvements along Route 355 for Rocky Hill Middle School access will cause the relocation of existing utility poles. This work will be completed by Bell Atlantic. Funds for the utility pole relocations were included in the FY 1996 Capital Budget appropriation as part of the road improvements.

Contractor: Bell Atlantic - Maryland, Inc.

Amount: $85,200
Activity 3

Project: Rocky Hill Middle School

Description: Recently, bids were solicited for fascia panels for the canopy at Rocky Hill Middle School. The current drywall/plaster subcontractor submitted a value engineering suggestion to reduce the cost of the canopy panels. This suggestion involved changing the fascia from pre-cast concrete to exterior plaster which reduced the cost approximately 25 percent without affecting the structure. This work is being completed as a change order and obviates the need to purchase pre-cast concrete panels at a higher cost.

Contractor: Can-Am Contractors, Inc.

Amount: $32,690

Activity 4

Project: West Farm Vehicle Maintenance Facility (Related Contract)

Description: As part of the West Farm Vehicle Maintenance Facility site development, an underground communications utility cable must be relocated. Funds for this work were included in the site construction budget. The cable relocation will be completed through a service contract with American Telephone and Telegraph, Inc.

Contractor: American Telephone and Telegraph, Inc.

Amount: $66,699.20

RESOLUTION NO. 446-95 Re: REDUCTION OF RETAINAGE - WATKINS MILL HIGH SCHOOL

On recommendation of the superintendent and on motion of Mrs. King seconded by Mr. Abrams, the following resolution was adopted unanimously by members present:

WHEREAS, William F. Klingensmith, Inc., general contractor for the Watkins Mill High School addition project, has completed 90 percent of all specified requirements, and has requested that the 10 percent retainage, which is based on the completed work to date, be reduced to 5 percent; and
WHEREAS, The project bonding company, Firemen's Insurance Company of Newark, New Jersey, has consented to this reduction; and

WHEREAS, The project architect, Duane, Cahill, Mullineaux & Mullineaux, recommends approval of the reduction; now therefore be it

Resolved, That the 10 percent retainage withheld from periodic payments to William F. Klingensmith, Inc., general contractor for Watkins Mill High School, be reduced to 5 percent, with the remaining 5 percent to become due and payable after completion of all remaining contract requirements and formal acceptance of the completed project.

RESOLUTION NO. 454-95 Re: ANNUAL ACCOUNTABILITY REPORT

On motion of Mr. Ewing seconded by Mrs. King, the following resolution was adopted unanimously by members present:

Resolved, That the Board of Education do the following set of things:

! adopt the superintendent's approach to the development of an annual accountability report, assuming that they would have a report in the future that would be more than a summary and index

! adopt the outline in attachment #1 as a working outline with the expectation that the working outline would be further developed and refined as they proceeded based on both the staff's views and the Board's views of what ought to be included

! request comment at an appropriate point, but soon, on what they were doing from the executive, Council, and Delegation to Annapolis
Resolved, That the scheduling of these actions to be determined by the superintendent and the Board officers based on progress that the staff makes with the first version of this to be published in FY 1996; and be it further 

Resolved, That the proposed schedule be brought to the Board. 

**Attachment 1**

That the Board of Education request the superintendent to develop a prototype, in outline form, of an annual "Accountability Report for the Montgomery County Public Schools," to be issued beginning in FY 1996 for the year just finished, FY 1995, and to include, but not be limited to the following elements:

I. LONG-RANGE AND STRATEGIC GOALS, OBJECTIVES, PLANS

   System's long-range and strategic goals, objectives and plans set forth so that the public can see where the system wants to go. The remainder of the report would be designed to show where the system stands in relationship to these longer-term goals on an annual basis.

II. SYSTEM OPERATIONS PERFORMANCE

   Audited financial statements

   Audit results of significance and management actions on them

   Status of school construction and modernization

   Status of operating budget, grants made to MCPS, and revolving funds, by major area, e.g., transportation, pay and benefits, etc. This section would show the history of these budgets, including funds requested and funds appropriated by year over the past 10 years, by source (Federal, State, local and grants).

   Operating and capital budget efficiencies, by specific project on an annual basis

   Employment statistics by gender, race, and ethnic group

   Status of negotiated contracts with employee unions
III. PROGRAM PERFORMANCE

! Funding by school and by program, in operating and capital budgets

! Special programs (e.g., magnets, the IB, the Leadership Training Institute, BEKS, etc.), their funding, status, plans and results

! Technology implementation, funding, status, plans and results

! Program assessments, evaluations, and program data showing changes attributable to program interventions, along with long-range plans for program evaluation

! Staff development: training, education and other methods of developing and improving staff performance, and results

IV. STUDENT PERFORMANCE AND RESULTS

! Standards for student performance, changes in these standards in the past year, and projected for future years, and student performance against them, by grade, subject, and by student gender, race and ethnic group

! Standards for student behavior, and student performance against them, including suspensions, expulsions and lesser disciplinary actions

! Student transition to the work force

! Student admissions to college and college feedback on readiness of students for college work

! Specific measures of student performance, e.g., completion of Algebra 1, etc.

! Length of time students have been in school system and performance

! Students whose native language is not English and performance data

! Students who have disabilities and performance

! Students identified as gifted and talented, and performance
MSPP scores, SAT and PSAT scores, other measurements of student performance, with data shown over time.

Supports to students beyond the classroom and their effectiveness, including but not limited to counseling, mentoring, internships, extracurricular activities, sports, etc.

Items for Inclusion in a Montgomery County Public Schools (MCPS) Annual Accountability Report

1. Long-range and Strategic Goals, Objectives, and Plans

   The goals and vision for Success for Every Student, the Goals of Education and the Board of Education (BOE) Action Areas are the published goals of MCPS.

II. System Operations Performance - Current Indicators

   A. Two audit documents are produced annually: Comprehensive Annual Financial Report and Report on Audit of Financial Statements of Federal Programs. These documents contain summaries of findings and a letter from the superintendent outlining actions taken and planned.

   B. The BOE receives monthly construction status reports that could be summarized annually.

   C. Status of history of operating budget, grants and revolving funds could be captured in a table showing 10-year history of requests and appropriations.

   D. Operating and capital budget efficiencies are detailed in The Citizens Budget.

   E. Employment statistics are compiled and shared annually with the BOE. The Staff Statistical Profile, presently an in-house document, is being updated for possible publication.

   F. Major changes are significant points of negotiated contracts are highlighted in reports to BOE and in press releases.

III. Program Performance

   A. The Selected Program Budgets and Budget Staffing Guidelines document provide a sample of funding by school and program.
B. Information on special programs is available in various documents and reports, such as Locations of Programs and Services for Students with Special Needs in MCPS. Special and alternative education should be included in this section or separate sections could be developed for special education, alternative education and other specialized programs such as Tech Prep Programs.

C. Global Access updates are presented regularly to the BOE including reports on technology implementation, funding, status, plans and results.

D. Program assessments and evaluations are available in many different documents and forms, such as the evaluation of the Council on Instruction papers and formal evaluation such as elementary science grant. These documents can be indexed to serve as a reference.

E. Information on staff development resides in School Improvement Training Unit, Systemwide Training Unit and school improvement management plans as well as in other Office for Instruction and Program Development and Office for Special and Alternative Education programs. Training plans, calendars and training program evaluations could be collected for this item.

IV. Student Performance and Results

A. Standards for student performance are contained in both the Success for Every Student (SES) Annual Report and the Maryland School Performance (MSPP) Report Card and are reported annually.

B. Student suspension data are reported in the Success for Every Student Annual Report and student attendance and dropout rates are reported in the MSPP Report Card.

C. Student transition to the work force is reported in the Senior Exit Survey and the MSPP Report Card in a limited way. It is self-reported data that has not been verified.

D. Student admissions to college is contained (self-reported) in the Senior Exit Survey. College feedback on readiness of students is reported in the Maryland Student Outcome and Achievement Report (SOAR) and is limited to Maryland public colleges and participating Maryland private colleges.

E. Specific measures of student performance are contained in the Success for Every Student Annual Report.
F. Reports on student performance are published for those who have been in MCPS two or more years in the Success for Every Student Annual Report and the local outcomes in the Maryland School Performance Program Report.

G. Many students whose native language is not English are in general education because they are bilingual and MCPS has not created a way to capture data on these students. Current and previous ESOL students can be identified and their performance is reported for specific analyses such as passing rates for the Maryland Citizenship Test.

H. Performance of students with Intensity 4 and 5 services is disaggregated for Success for Every Student and MSPP reports, but it is not reported separately.

I. Participation of students in gifted and talented and honors courses is reported in the Success for Every Student Annual Report but performance data are not reported separately.

J. MSPP, Scholastic Assessment Test (SAT), Practice Scholastic Assessment Test (PSAT), Advanced Placement (AP), and MCPS Criterion Referenced Test (CRT) measures are all reported annually in the Success for Every Student Report and the MSPP Report Card.

K. Supports to students beyond the classroom have not been collected and reported in a single report. This section will require review to determine if some or all of these data are in formats that can be captured and reported.

RESOLUTION NO. 455-95  Re: TENTATIVE ADOPTION OF BOARD OF EDUCATION POLICIES BNA AND BNB

On motion of Mr. Abrams seconded by Mr. Ewing, the following resolution was adopted unanimously by members present:

Resolved, That the Board of Education give tentative approval to the following policies:

BNA

POLICY

BOARD OF EDUCATION OF MONTGOMERY COUNTY

Related Entries: BNB, BP

Ombudsman/Staff Assistant to the Board of Education
A. PURPOSE

To establish guidelines for the staff member acting as position of ombudsman/staff assistant to the Board of Education

B. ISSUE

In a school system that has tens of thousands of students and thousands of employees, it is nearly impossible to expect things to go right all the time. There are formal appeal procedures that protect the due process rights of parents, students, and citizens and grievance procedures to protect the rights of employees. However, there are times when it is appropriate to initiate less formal inquiries into people's concerns and problems. In a large agency like the Montgomery County Public Schools, an ombudsman can help ensure that problems between citizens and the school system get handled as expeditiously and efficiently as possible.

C. POSITION

1. The function position of ombudsman shall be retained by retitled ombudsman/staff assistant to the Board of Education

2. The principal functions of the staff member acting as ombudsman this position shall be:

   a) To serve as ombudsman in matters relating to the schools and school system for those persons in the community, including school employees, students, and other citizens who have problems, complaints, information, or suggestions to bring to the attention of school authorities for which no channels of communication appropriate to their needs are available

   b) To provide other serve as staff assistance to the Board, including with the following responsibilities:

Guidelines for the Work of the Ombudsman/Staff Assistant to the Board of Education

A. PURPOSE

To establish guidelines for the duties of the ombudsman/staff assistant to the Board of Education

B. ISSUE

The powers and mandatory duties of the Board of Education are defined in the Education Article of the Annotated Code of Maryland and the Code of Maryland Regulations, 13.1, State Board of Education. The Board needs both the advice of the superintendent and the support of staff to fulfill its general responsibilities as outlined in Policy BP, which include selecting and appointing the superintendent of schools; formulating and interpreting policies; making a continuous appraisal of the educational and administrative process; communicating with citizens, staff and students; and acting in a quasi-judicial role to hear appeals of superintendent decisions.

C. POSITION

1. The Board of Education shall be assisted in fulfilling its responsibilities by both professional and support staff.

2. Ombudsman/Staff Assistant Responsibilities

a) Ombudsman

(1) The staff member acting as ombudsman serves any employee, student, and other citizen who has problems, complaints, information, or suggestions which he/she elects to bring to the attention of the ombudsman. The ombudsman/staff assistant will direct persons with problems, complaints, information, or suggestions to the appropriate channels of communication. Where, in the judgment of the ombudsman/staff assistant, appropriate
channels of communication are not available the problem, the ombudsman/staff assistant shall attempt to have the problem resolved at the most appropriate administrative level. Those cases which cannot be resolved at lower levels will be brought to the attention of the deputy superintendent and/or the superintendent. If a case or cases cannot be resolved satisfactorily at the deputy superintendent or superintendent levels and if in the judgment of the ombudsman/staff assistant the circumstances warrant further review, the ombudsman/staff assistant may recommend to the president of the Board and to the superintendent that the case be brought to the attention of the Board of Education. In a case or cases involving Montgomery County Public Schools employees, the ombudsman/staff assistant shall review periodically with the Board and the superintendent the abstract inferences and suggestions with respect to policy and administration which may be derived from such cases. The ombudsman/staff assistant shall make similar reports to the Board and superintendent with regard to cases coming from students and the community at large.

(2) In order for the ombudsman/staff assistant to be able to carry out the responsibility of that function position, it is essential that information furnished in confidence remain confidential. The ombudsman/staff assistant, therefore, shall not offer testimony concerning such confidences in any adversarial proceedings, except where the release of such information is required by virtue of a subpoena or court order in a judicial proceeding. Except in a judicial proceeding, as described in a preceding sentence, the ombudsman/staff assistant shall not divulge any information furnished to him/her in confidence, nor shall any person utilizing the services of the office or furnishing information to it authorize, or seek, the release of any confidential information so furnished.

b) Staff Assistance

(1) The ombudsman/staff assistant to the Board of Education will perform staff assistant duties through assignments developed jointly by the ombudsman/staff director assistant and the Board of Education. Assignments may be suggested by the staff assistant, any member of the Board, and the
superintendent. The assignments and their relative priority will be determined by the Board bimonthly. No assignment will be made without a concurrence of at least a majority of the Board. The superintendent shall have the opportunity to comment upon the work program prior to its adoption. The assignments may include the preparation of factual and evaluative reports and recommendations relating to programs, policies, procedures, organization, or administration; preparation of compilations, surveys, or summaries of information and technical literature relating to educational matters; attendance at meetings of community and school organizations; and such other assignments as the Board may request.

(2) The ombudsman/staff assistant shall have the responsibility to advise the Board and the superintendent immediately regarding the existence of a problem which, in the judgment of the ombudsman/staff assistant, warrants the prompt attention of the Board of Education and the superintendent.

(3) The ombudsman/staff director assistant shall present a quarterly report to the Board, or he/she may request more immediate consideration. In addition, he/she will present a public report annually. This public report will refer to both the responsibility as ombudsman and responsibility as staff assistance functions. The public report will carefully preserve appropriate confidentiality of personnel for whom staff have provided services.

(4) In addition to the assignments described above, any member of the Board of Education may propose an ad hoc assignment for the staff assistant. An ad hoc assignment is defined as one which would be expected to consume a total of less than one-half day of staff assistant work time and which may need accomplishment before the next quarterly meeting. Ad hoc assignments shall not include assignments which are expected to lead to the preparation of a new policy for Board consideration or an assignment which might be considered an investigation. Examples of an ad hoc assignment might be the attendance at a public meeting or the preparation of a brief, special analysis. Requests from individual Board members for such assignments shall be channeled through the president of the Board who will, in consultation with the staff director assistant, determine their reasonableness in light of the
existing work-load of the ombudsman/staff assistant. The president of the Board will have the option of delegating this authority to the vice-president regarding the channeling of ad hoc assignments. To facilitate the efforts of the ombudsman/staff assistant and to avoid work duplication, the president of the Board usually will advise and seek comments of the superintendent regarding the ad hoc assignments. The president of the Board shall inform the Board member who made the request of any determination that an ad hoc assignment cannot be carried out. Any decision of the president may be appealed to the entire Board of Education.

c) Staff Director Both Ombudsman/Staff Assistant

(1) The ombudsman/staff director assistant shall have the responsibility to advise the Board and the superintendent immediately when he/she staff detects the existence of a problem which, in the staff director's his/her judgment, warrants the prompt attention of the Board of Education and the superintendent.

(2) The ombudsman/staff director assistant shall present a report of staff his/her work quarterly to the Board, or he/she may request more immediate consideration. In addition, he/she will present a public report of staff his/her work once a year. This public report will refer to both his/her ombudsman responsibilities and his/her staff assistance responsibilities. The public report will carefully preserve appropriate confidentiality of personnel for whom the staff have ombudsman has provided services.

23. Staff to the Board of Education Assistant

The staff to the Board of Education assistant works under the supervision of the ombudsman/staff director, assistant in the review and analysis of school policies, programs, projects, procedures, and budgets at the direction of the Montgomery County Board of Education, and within the guidelines of the staff assistant functions as established by the Board of Education. The staff have assistant, like the ombudsman/staff assistant, has a responsibility to serve all of the members of the Board of Education equally. The staff director assistant will maintain a log of assignments and will provide copies of the log to all Board members and the superintendent as part of the quarterly report to the Board monthly.
D. DESIRED OUTCOME

Support to the Board of Education that meets the needs of the Board as a whole, as well as the needs of its individual members when possible. In addition, the staff to the Board of Education should be responsive to the citizens, staff, students and parents served by the Board and maintain confidentiality in every matter they handle.

E. IMPLEMENTATION STRATEGIES

Job descriptions for staff to the Board of Education shall be established by the Board, with the assistance of the superintendent.

F. REVIEW AND REPORTING

The work performed by the staff to the Board of Education shall be reviewed annually by the staff director, the Board of Education and the superintendent. Job descriptions for staff to the Board of Education shall be reviewed by the Board at least once every four years, with input from the staff director and the superintendent.

Re: BOARD/SUPERINTENDENT COMMENTS

1. Mrs. Gordon noted that this evening's meeting was the last official Board meeting for Mr. Fess and Ms. Mary Lou Wood and expressed the Board's appreciation for their many years of service to the Board. Dr. Vance also acknowledged the last formal appearance of Ms. Wood and Mr. Fess. Ms. Wood had been the school system's resident historian. He had had a professional and personal relationship with Mr. Fess for 18 years. He would personally miss them both.

2. Mr. Ewing reported that once again Montgomery Blair High School had distinguished itself by winning the It's Academic regional superbowl against Richmond and Baltimore. He offered his congratulations to the team, and he was sure the Board shared the pleasure and pride that he felt in their accomplishment.
