RESOLUTION NO. 629-00 Re: CLOSED SESSION

On recommendation of the Superintendent and on motion of Mrs. King seconded by Mr. Abrams, the following resolution was adopted unanimously:

WHEREAS, The Board of Education of Montgomery County is authorized by the Education Article and State Government Article of the Annotated Code of Maryland to conduct certain meetings or portions of its meetings in closed sessions; now therefore be it

Resolved, That the Board of Education of Montgomery County conduct portions of its closed session on September 12, 2000, in Room 120 from 9:00 to 10:00 a.m. to discuss the personnel appointments, as permitted under Section 10-508(a)(1) of the State Government Article; and be it further

Resolved, That the Board of Education consult with counsel to receive legal advice as permitted under Section 10-508(a)(7) of the State Government Article; and be it further

Resolved, That the Board of Education meet from 1:00 to 5:00 p.m. in closed session to consider matters that relate to collective bargaining negotiations, as permitted under Section 10-508(a)(9) of the State Government Article and Section 4-107(d) of the Education Article; and be it further

Resolved, That the Board of Education of Montgomery County dedicate part of the closed
session on September 12, 2000, to acquit its executive functions and to adjudicate and review appeals, which is a quasi-judicial function outside the purview of the Open Meetings Act under Section 10-503(a) of the State Government Article; and be it further

Resolved, That these portions of the meeting continue in closed session until the completion of business.

** Mr. Abrams temporarily left the meeting.

RESOLUTION NO. 630-00  Re:  APPROVAL OF THE AGENDA

On recommendation of the Superintendent and on motion of Ms. Signer seconded by Mr. Felton, the following resolution was adopted unanimously by members present:

Resolved, That the Board of Education approve its agenda for September 12, 2000.

RESOLUTION NO. 631-00  Re:  HISPANIC HERITAGE MONTH

On recommendation of the Superintendent and on motion of Mrs. Gordon seconded by Mr. Felton, the following resolution was adopted unanimously by members present:

WHEREAS, On August 17, 1988, the United States Congress by joint resolution authorized the President to proclaim annually the 31-day period beginning September 15 and ending October 15 as National Hispanic Heritage Month; and

WHEREAS, Elements of the Hispanic-American experience have endured and dynamically contributed to the formation of this nation for more than 500 years; and

WHEREAS, Hispanic Americans greatly enhance the richness of our national character by contributing their unique blend of African, European, and North and South Native American ethnic and cultural traditions; and

WHEREAS, The continued successful educational efforts of Hispanic students and partnerships with Hispanic parents, staff, and community members contribute to the present and future success of Montgomery County, the state of Maryland, and our nation as a whole; now therefore be it

Resolved, That on behalf of the superintendent, students, parents, and staff of Montgomery County Public Schools, the members of the Board of Education hereby declare that the period of September 15 to October 15, 2000, be observed as Hispanic Heritage Month.
Mayor Lynn Raufaste, Town of Kensington, presented the Board of Education with a book entitled, *Maryland’s 157, the Incorporated Cities and Towns*, from the Maryland Municipal League. In the coming year, a copy will be placed in each school and library in the state of Maryland.

** Mr. Abrams joined the meeting at this point.

RESOLUTION NO. 632-00  Re: **RECOGNITION OF HELENE GRANOF (1999 PRESIDENTIAL AWARD FOR EXCELLENCE IN MATHEMATICS AND SCIENCE TEACHING)**

On recommendation of the Superintendent and on motion of Mr. Abrams seconded by Mrs. King, the following resolution was adopted unanimously:

WHEREAS, Board policy establishes Montgomery County Public Schools’ (MCPS) strong commitment to success for every student and identifies mastery of science and mathematics as critical to student success; and

WHEREAS, Helene Granof has demonstrated outstanding teaching in the area of science; and

WHEREAS, Ms. Granof has distinguished herself as an MCPS Lead Science Teacher since 1991, providing leadership and training to her fellow teachers; and

WHEREAS, Ms. Granof has been awarded the 1999 Presidential Award for Excellence in Mathematics and Science Teaching for Elementary Science for the State of Maryland by the National Science Foundation; and

WHEREAS, Ms. Granof received said award at a ceremony at the White House in Washington, D.C., during the week of June 20 -24, 2000; now therefore be it

Resolved, That the Montgomery County Board of Education and the superintendent of schools hereby commend and extend their appreciation to Helene Granof for her distinguished service to MCPS, its students, parents, and the community at large; and be it further

Resolved, That the Montgomery County Board of Education and the superintendent of schools offer their congratulations and best wishes for continued success; and be it further

Resolved, That a copy of this resolution be presented to Ms. Granof as a token of our appreciation.
Re: BOARD/SUPERINTENDENT COMMENTS

Dr. Weast thanked the Board members for visiting schools during the first week of school. He commended Board members for being in the schools, developing expertise in all areas of education, and showing that they care. Recently, the Committee for Montgomery met to promote Montgomery County, and they supported the Board’s initiatives. Ms. Jo Anne McKernon was one of seven among 50,000 teachers in the state of Maryland to make it to the finals for Teacher of the Year. Dr. Weast thanked staff for their outstanding efforts in construction and making the schools ready for the arrival of students. Also, on the issue of possible brake failure on Thomas Built buses, Mr. Matthews had explained to the press what would be done, and he worked with staff to make sure it was done.

Mrs. O’Neill commented that she attended the kickoff for the United Way campaign in Montgomery County, and she was very proud that MCPS was one of four employers who contributed 50 percent of the total money collected by the United Way. Mr. Burnett and Mrs. O’Neill attended a meeting of the Board Composition Task Force in response to HB 803 to examine multiple facets of the Board’s composition. Many Board members visited schools during the first week of classes, and she thanked employees who went above and beyond the call of duty to make sure that schools opened on time. She thanked OGAT for a smooth opening of schools without a repeat of last year’s Student Information System problem. Mrs. O’Neill also thanked businesses that donated school supplies to help needy children. Mrs. O’Neill asked the superintendent to remind principals that children should not sell items door-to-door in fund-raising activities.

Mr. Abrams asked staff to give a fuller explanation of the Singapore math curriculum to parents in the pilot schools. Dr. Weast replied that Singapore math would be piloted in five schools this year and teachers have been trained in the curriculum, which is a very strong math program with high rigor.

Mrs. King toured 17 schools in two days, and she was excited with the instruction on the first day. She understood that RideOn was providing free bus service from 2:00 p.m. to 7:00 p.m., and she asked how that affected MCPS activity buses. Mr. Bowers replied that MCPS had coordinated with RideOn for the last 10 to 15 years, and MCPS still runs activity buses to those areas where RideOn is unavailable. It has been a terrific partnership between the school system and Montgomery County Government, and this year the students use ID cards to get on the bus.

Mrs. King asked for clarification about the different dates for paycheck distribution. Mr. Bowers responded that the first paycheck was accelerated one week in order for 10-month employees to get their paychecks earlier than in the past.

Mr. Lloyd expressed his excitement about the classroom instruction during the first week
of school. The teachers and students were excited about the new possibilities for the school year.

Mrs. Gordon reported that she had officiated at the summer school graduation and that it is special because many adults receive diplomas. Their excitement and pride for this accomplishment against overwhelming odds was heartwarming. Mrs. Gordon announced that Paint Branch High School is a National Blue Ribbon winner and will be honored at the White House, and that the Thornton Commission is at the point at which the consultant is making recommendations about formula changes with several options before the Commission.

Mr. Burnett was very pleased with the opening of schools. He asked Dr. Weast about the parents’ training for Singapore math. Dr. Weast replied that parents were getting information so they would understand the accelerated math program being piloted in five schools.

Mr. Felton mentioned that he would represent MCPS in a Town Meeting on school construction with U.S. Secretary of Education, Richard Riley. MCPS was asked to participate in recognition of its achievements while serving a suburban community with unique growth and construction issues.

Re: **ORAL PRESENTATION ON THE OPENING OF SCHOOLS**

Dr. Weast and the community superintendents (Mr. Headman, Mr. Kress, Mr. Martinez, Dr. Statham, Dr. Stetson, and Dr. Wilhoyte) gave an overview of the opening of schools, focusing on (1) school climate; (2) human resources; (3) school performance support teams; (4) staff development; (5) organizational changes; and (6) special education and alternative programs.
Mrs. O’Neill thanked staff for the presentation because it gave the Board an overview of the tasks MCPS faces to open schools. Staff was responsive to the inevitable glitches that arise; however, this year was unusually tranquil compared to past years. The school buildings came to life with students who expressed their exuberance and joy. She was proud of the school-based staff development teachers; they are energetic and the principals were thrilled with their support in the buildings.

Ms. Signer noted that each year the Board seeks new superlatives when describing the opening of schools. She visited schools the first week and the buildings sparkled, the staff was excited, and the students were on task. She acknowledged and commended staff for the work that was done on Winston Churchill and Thomas S. Wootton high schools. It was a wonderful beginning with a great deal of excitement about the new programs. Parents, students, and staff see this as a renaissance for the school system, and their expectations are very high.

Mr. Felton commended everyone for their team spirit and expectation of excellence. He asked about the enrollment projections, and how staff addresses the differences when the projections are wrong. The community superintendents gave examples of overutilization and the solutions arranged by staff to meet the needs of students.

Mr. Burnett asked how many relocatables would not be place at the beginning of the school year. Mr. Bowers replied that the relocatables came in three phases: (1) 90 for growth in enrollment; (2) 70 for the early childhood initiatives; and (3) eight for day care and Linkages to Learning. The last 35 relocatables will be installed by the end of October.

Mr. Burnett asked how many teachers were hired from different career paths or had made a career change. Dr. Arons responded that 200 people came to the school system from various programs and were retrained. Another 30 people are in a new training group with strong degrees in science and math.

Mr. Burnett noted that some parents are concerned that their children are too young to handle all-day kindergarten. How many parents have opted out of the program? Dr. Wilhoyte was not aware that any parent had refused all-day kindergarten.

Mr. Burnett noted some students took courses at both Quince Orchard and Northwest high schools. Has the school system discussed using technology for distance learning? Mr. Porter stated that OGAT would bring forward some initiatives in the budget for distance learning, and there is a committee looking at that initiative.

Mrs. Gordon said it was great to see a team working together. She visited a number of schools during the first week, and she thanked Dr. Statham for her work in the consortium, especially in addressing the issue of oversized classes. One of the things she noticed was
that people were greeted promptly and courteously in the schools. Staff was available to students and parents to address any concerns or questions. Also, Mrs. Gordon wanted to make sure that people were made aware of the opportunities at the Smith Center.

Mrs. King was pleased with the comments she heard about the new principals. The school-based staff developers were a pleasant surprise, since teachers were delighted with the additional support.

Mr. Abrams asked how many students were returning to MCPS from private school. Mr. Kress and Dr. Wilhoyte replied that no data were available, but anecdotally they had heard that private school students were enrolling in MCPS. Mr. Abrams wanted staff to monitor the number of private school students returning to MCPS because it had implications for the district, both positive and negative.

Mr. Abrams commended everyone for their efforts in opening schools, especially Dr. Arons and Human Resources. He noted that MCPS was running up against problems with school construction, such as state funding. Also, the system cannot lose sight of how well it has prepared students for college, as well as building a legacy for the future.

Mr. Lloyd was impressed with the new teachers and how teachers are bringing subjects to life. Students are excited about their classes this year.

RESOLUTION NO. 633-00 Re: AMENDMENT TO THE AGENDA

On motion of Mr. Burnett and seconded by Mr. Felton, the following resolution was adopted unanimously:

Resolved, That the Board of Education amend its agenda and advance the Briefing on Interages as the next item of business.

Re: BRIEFING ON INTERAGES

Dr. Weast invited the following people to the table: Dr. Raymond Bryant, associate superintendent for student and community services; Mr. Austin Heyman, founder and former executive director of Interages, Inc.; Ms. Theresa Long, executive director; Ms. Elaine Lessenco, president-elect of Interages, Inc., Board of Directors; Ms. LaVerne Taler, alternative programs teacher, Sligo Middle School; and a student/senior mentor pair from the SETS Program at Sligo Middle School. In the audience were students and senior citizens from various programs sponsored by Interages, Inc.; Dr. Robert Shoenberg, vice president, Interages, Inc., Board of Directors; Mr. Barron Stroud, director, Division of Community Outreach; and Ms. Sally Marchessault, coordinator of volunteer and community resources, Division of Community Outreach.
Interages, Inc., was established in 1986 under the visionary leadership of Mr. Austin Heyman, who served as executive director until his retirement in 1997. The concept for the organization grew out of Mr. Heyman’s work as chairman of the Montgomery County Division of Children and Youth Task Force on Intergenerational Issues from 1984-86. To date, 20,000 youth and senior adults have participated in programs initiated and encouraged by Interages.

The Montgomery County Public Schools Office of Student and Community Services, in collaboration with the Montgomery County Department of Health and Human Services, Children, Youth and Family Services, has contracted with Interages to provide an intergenerational resource center for the general public and county agencies. The quarterly report describes the scope of services agreed upon under the grant contract as well as the activities undertaken in the last quarter to demonstrate compliance with the contract requirements.

Interages is a model public/private community organization that serves as the Montgomery County Intergenerational Resource Center, which disseminates information about intergenerational programs throughout the county. Interages’ goals include providing programs that resolve and prevent negative feelings among generations, enhancing educational enrichment activities, and encouraging an environment for the emotional well being of all age groups. Interages provides older mentors who give guidance and support to children in need. The agency also provides training and technical assistance to individuals and organizations interested in developing cross-age activities in their communities.

Interages links senior citizens and youth through a variety of projects. Each project is designed to serve a specific need. During the 1999-2000 school year, Interages brought together 218 senior citizen volunteers with 1,260 youth in 23 schools. These programs include:

1. Intergenerational Bridges Mentoring for Immigrant Youth
2. Academic Stars (Grades 6-8)
3. Grandreaders (K-Grade 3)
4. Dialogues across the Ages (High School)
5. Project SHARE (Students Help and Reach Elders)

Re: DISCUSSION

Mrs. O’Neill commented that she spent a memorable afternoon at Rolling Terrace Elementary School with the Grandreaders. She would like to see more volunteers because the seniors within the community are a valuable resource.
Mrs. Gordon thanked Mr. Heyman and Dr. Shoenberg for their vision and emphasized the importance of intergenerational activities.

RESOLUTION NO. 634-00  Re:  CONTRACTS MORE THAN $25,000

Re: DISCUSSION

Prior to the approval of the supplemental appropriation requests for Eastern Middle School, Northeast Elementary School # 6/Longview Special Education Center, and Thomas S. Wootton High School, Ms. Signer noted that the total amount was $6.8 million, which could be offset this year only. The fact that construction projects are exceeding estimates is creating anxiety in the community about the long-term effects on the Capital Improvements Program (CIP). The County Council will have to adjust in the off-year for the CIP. The supplemental appropriation for the three schools was approaching the cost for a single elementary school. Does the market show any signs of abating? Mr. Hawes responded that there some signs that the economy was slowing down. However, the commercial market is still strong and the predictions are that it will carry through the next year. The County Council will form a workgroup with private and public members to look at the forecast for next year and make recommendations.

Ms. Signer thought the school system should assure the community that MCPS will do all it could to make sure that projects proceed on schedule. There is a great deal of concern in the community that a project will be left out or moved back.

Mr. Abrams asked about the impact of the Governor’s prevailing wage rates. Mr. Hawes thought it had no impact because “open-shop” contractors have to pay almost union scale to get workers.

Mr. Abrams asked if the Thornton Commission had taken up construction issues. Mrs. Gordon replied that they have had some discussions. Mr. Hawes noted that the state had raised its reimbursible square foot cost from $116 to $136. Mr. Abrams thought the Board should build support for formula changes.

RESOLUTION NO. 647-00 Re: SUPPLEMENTAL APPROPRIATION REQUEST – EASTERN MIDDLE SCHOOL

On recommendation of the Superintendent and on motion of Mr. Abrams seconded by Mr. Felton, the following resolution was adopted unanimously:

WHEREAS, The low bid received for the Eastern Middle School addition exceeds the cost of the consultant’s estimate and the funds allocated for the project; and
WHEREAS, Several initiatives have been implemented to reduce the project cost; and

WHEREAS, No additional measures are available to reduce costs further without delaying the project; and

WHEREAS, It is essential that the additional classrooms be provided to meet enrollment and program needs; now therefore be it

Resolved, That a supplemental appropriation and amendment to the FY 2001-2006 Capital Improvements Program be requested for the Eastern Middle School addition project in the amount of $1,600,000; and be it further

Resolved, That this resolution be forwarded to the County Executive requesting that it be recommended for approval to the County Council.

RESOLUTION NO. 648-00 Re: SUPPLEMENTAL APPROPRIATION REQUEST – NORTHWEST ELEMENTARY SCHOOL #6/LONGVIEW SPECIAL EDUCATION CENTER

On recommendation of the Superintendent and on motion of Mr. Abrams seconded by Mr. Felton, the following resolution was adopted unanimously:

WHEREAS, The construction pricing for the new Northwest Elementary School #6/Longview Special Education Center exceeds the cost consultant’s estimate and the funds allocated for the project; and

WHEREAS, Several initiatives have been implemented to reduce the project cost; and

WHEREAS, No additional measures are available to reduce costs further without delaying the project; and

WHEREAS, It is essential that this new school be completed to meet enrollment and program needs; now therefore be it

Resolved, That a supplemental appropriation and amendment to the FY 2001-2006 Capital Improvements Program be requested for the Northwest Elementary School #6/Longview Special Education Center project in the amount of $600,000; and be it further

Resolved, That this resolution be forwarded to the County Executive requesting that it be recommended for approval to the County Council.
RESOLUTION NO. 649-00  Re:  SUPPLEMENTAL APPROPRIATION REQUEST – THOMAS S. WOOTTON HIGH SCHOOL

On recommendation of the Superintendent and on motion of Mr. Abrams seconded by Mr. Felton, the following resolution was adopted unanimously:

WHEREAS, The construction pricing for the Thomas S. Wootton High School addition and core improvements exceed the cost consultant’s estimate and the funds allocated for the project; and

WHEREAS, Several initiatives have been implemented to reduce the project cost; and

WHEREAS, No additional measures are available to reduce costs further without delaying the project; and

WHEREAS, It is essential that additional classrooms and core improvements be completed to meet enrollment and program needs; now therefore be it

Resolved, That a supplemental appropriation and amendment to the FY 2001-2006 Capital Improvements Program be requested for the Thomas S. Wootton addition and core improvements project in the amount of $3,700,000; and be it further

Re: PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On recommendation of the Superintendent and on motion of Mr. Abrams seconded by
Mrs. Gordon, the following resolution was placed on the table:

WHEREAS, Non-local grant funds play an increasingly important role in funding improved educational programs to meet academic priorities as established by the Board of Education; and

WHEREAS, Streamlining the process for submission and approval to receive and expend grant funds can encourage increased grant seeking, especially by individual schools; and

WHEREAS, The Board of Education must retain the authority to receive and expend grant funds as required by state law and Board of Education policy; now therefore be it

Resolved, That the superintendent of schools be authorized to approve the submission of grant applications with notification to the Board of Education; and be it further

Resolved, That the superintendent of schools be authorized to submit a monthly report and resolution to the Board of Education to receive and expend grant funds through the Provision for Future Supported Projects as authorized by the County Council; and be it further

Resolved, That a copy of this action be transmitted to the County Executive and County Council.

Re: DISCUSSION

Ms. Signer had concerns about the process and the impact on larger grants, especially one like the National Science Foundation grant that required the use of specific curriculum materials. She would support the resolution if there were a dollar limit. Mr. Bowers replied that the report to the Board would be more specific, and the procedure would be limited to grants of less than $100,000 or grants that had been approved previously.

Mr. Felton was concerned about grants that were not consistent with the values or goals of the Board. Also, he had no objection to increasing the amount for direct grants to schools.

Mr. Abrams asked if the Board had reviewed grants that were not consistent with the Boards goals. If not, the Board should require the Superintendent to make sure that information is available to the Board irrespective of the size of the grant or the process used. He thought time could be a factor and asked if the Board could be polled for their approval of a grant application. Mr. Bowers pointed out that the Board still had to approve the receipt and use of the funds.
Dr. Weast commented that the school system needed supplemental grants to expand programs beyond funding from the County Council. Small grants of $100,000 or less have a short time for application. The intent of the resolution was to position the Board so that smaller grants could be received by the school system.

Mrs. Gordon had the same concerns as Ms. Signer and Mr. Felton. How would the school system address a grant stipulation that is in direct opposition to Board goals? Mr. Bowers responded that in the past the application had to be submitted prior to Board approval due to the timing constraints.

Mrs. O'Neill noted that the Board would have no objections to a majority of the grant applications. However, if Board members were uneasy about an application, it must come before the full Board for a vote. She thought the procedure should be amended and the full Board should vote if there is a concern by any or all of the members about a grant application.

Mr. Abrams thought there could be a sunset provision, and each grant should be checked against the school system’s standards.

Mrs. O'Neill thought it was the Board’s role to approve grants, and she wanted any concerns to be discussed prior to a vote.

Mrs. Gordon wanted Board members’ concerns about a grant to be addressed.

Re: AN AMENDMENT TO THE PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On motion of Ms. Signer and seconded by Mrs. O’Neill, the following amendment failed with Mrs. Gordon, Mr. Lloyd, Mrs. O’Neill, and Ms. Signer voting in the affirmative; Mr. Abrams, Mr. Burnett, Mr. Felton, and Mrs. King voting in the negative:

Resolved, Any Board of Education member may request that the proposal be brought to the full Board of Education for discussion and approval.

RESOLUTION NO. 651-00 Re: AN AMENDMENT TO THE PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On motion of Mr. Abrams and seconded by Mrs. King, the following amendment to the first resolved was adopted with Mr. Abrams, Mr. Burnett, Mr. Felton, Mrs. King, Mr. Lloyd, and Mrs. O’Neill voting in the affirmative; Mrs. Gordon and Ms. Signer voting in the negative:
Resolved, That the superintendent of schools be authorized to approve the submission of grants applications for one year with notification to the Board of Education.

Re: AN AMENDMENT TO THE PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On motion of Mr. Abrams and seconded by Mr. Felton, the following amendment was placed on the table:

Resolved, That the full Board of Education be polled if an objection is raised to the submission of a grant.

Re: DISCUSSION

Mrs. Gordon stated that the Board of Education could not legally be polled to take action on a grant.

Mr. Abrams thought the Board could be polled on the submission of a grant application. The formal action is to approve or reject a grant; however, the action in the amendment is to give direction of non-submission of a grant application. Therefore, the poll would be an advisory action.

Mrs. O'Neill felt that an elected official should make decisions in a public meeting.

RESOLUTION NO. 652-00 Re: CALL THE QUESTION

On motion of Mrs. Gordon, the Board of Education unanimously agreed to call the question.

Re: AN AMENDMENT TO THE PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On motion of Mr. Abrams and seconded by Mr. Felton, the following amendment failed with Mr. Abrams and Mr. Felton voting in the affirmative; Mr. Burnett, Mrs. Gordon, Mrs. King, Mrs. O'Neill, Mr. Lloyd, and Ms. Signer voting in the negative:

Resolved, That the full Board of Education be polled if an objection is raised to the submission of a grant.
On motion of Mrs. Gordon and seconded by Mrs. O’Neill, the following amendment was placed on the table:

Resolved, That concerns about the alignment of grants with Board goals and priorities may be raised by Board members and brought before the full Board for discussion and action.

Re: DISCUSSION

Mrs. King was uneasy that one person with concerns could hold back the grant application. Mrs. Gordon responded that it would relate only to the stated goals and priorities of the Board. A Board member would delay a grant only if it were not aligned with Board goals.

Mr. Abrams was unclear with the proposed amendment when the provision would be operational. Would it be immediate or at the next Board meeting? Would the grant application be held in abeyance until the next Board meeting? Mrs. Gordon replied that there was no time constraint; the Board member would contact the Superintendent or Board president, and they would decide when the application would be scheduled.

Mr. Abrams asked if a special meeting would be called or could it be a telephone meeting. Mrs. Gordon replied no; the Board could take action at any public meeting.

Re: CALL THE QUESTION

Ms. Signer called the question and it was adopted by the Board with Mr. Burnett, Mr. Felton, Mrs. Gordon, Mrs. King, Mr. Lloyd, Mrs. O’Neill, and Ms. Signer voting in the affirmative; Mr. Abrams voting in the negative.

RESOLUTION NO. 653-00 Re: AN AMENDMENT TO THE PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On motion of Mrs. Gordon and seconded by Mrs. O’Neill, the following amendment was adopted with Mr. Burnett, Mr. Felton, Mrs. Gordon, Mrs. King, Mr. Lloyd, Mrs. O’Neill, and Ms. Signer voting in the affirmative; Mr. Abrams voting in the negative:

Resolved, That concerns about the alignment of grants with Board goals and priorities may be raised by Board members and brought before the full Board for discussions and actions.
RESOLUTION NO. 654-00  Re:  AN AMENDMENT TO THE PROCEDURES FOR SUBMITTING GRANT APPLICATIONS AND AUTHORIZING GRANT ACCEPTANCE

On recommendation of the Superintendent and on motion of Mrs. Gordon seconded by Ms. Signer, the following resolution was adopted unanimously, as amended:

Resolved, That a copy of this action be transmitted to the County Executive and County Council.

Re:  USE OF VANS FOR STUDENT TRANSPORTATION

Mr. Bowers reported that legislation will be introduced during this year’s session of the Maryland General Assembly to amend current state regulations to prohibit any use of passenger vans by school systems for transportation of students. The current Code of Maryland Administrative Regulations (COMAR 13A.06.07.09) specifies that Type I vehicles (school buses) shall be used to transport students to and from school. MCPS fully complies with this regulation. MCPS allows the use of vans, sometimes referred to as “non-conforming vehicles,” to transport students to and from school-related activities. Currently, 31 vans are in use. While MCPS has not experienced any safety issues to date, staff
believed that the school system must consider the national safety data and support this legislation. This will require budgeting approximately $700,000 in additional costs to maintain transportation services for the programs currently using vans.

Based on the safety issues, staff saw no option but to recommend that MCPS support legislation that prohibits the use of vans (or other nonconforming vehicles) in the transportation of students. However, given the fiscal, contractual, and logistical issues, the Superintendent recommend implementation of the legislation over a three-year period.

Re: DISCUSSION

Mr. Felton asked if specifications to manufacturers could be changed so that vans could be used by the school system. Mr. Bowers replied that the use of vans for student transportation was a national issue. Mrs. Gordon noted it was a federal prohibition; MCPS was the only county in the state that used vans when this issue came up two years ago in the legislature.

Mr. Abrams wanted the Board to pursue discussions with federal legislators because this issue made no sense at a time when school districts were trying to stretch the dollar. He thought a van with seat belts would be safer than a school bus without seat belts. It is the same regulatory authority at the federal level that does the studies to support the non-enforcement of seat belts in school buses that now forbids the use of vans. Under the proposed legislation, MCPS would be required to use a 19-passenger bus to transport five students; this is absurd. Mrs. Gordon reminded the Board that MCPS is the only jurisdiction using vans. There is no support within the state for MCPS to get a waiver or continue its use of vans.

RESOLUTION NO. 655-00 Re: USE OF VANS FOR STUDENT TRANSPORTATION

On motion of Ms. Signer and seconded by Mrs. Gordon (with a “friendly” amendment offered by Mr. Felton and accepted by the maker of the motion), the following resolution was adopted with Mr. Burnett, Mr. Felton, Mrs. Gordon, Mrs. King, Mr. Lloyd, Mrs. O’Neill, and Ms. Signer voting in the affirmative; Mr. Abrams voting in the negative:

Resolved, That the Board of Education prohibit the use of vans for student transportation with a three-year phase-in period; and be it further

Resolved, That the Board of Education support any legislation that prohibits the use of vans for student transportation phased-in over a three-year period.
RESOLUTION NO. 656-00  Re:  CLOSED SESSION RESOLUTION

On recommendation of the Superintendent and on motion of Ms. Signer seconded by Mrs. Gordon, the following resolution was adopted unanimously:

WHEREAS, The Board of Education of Montgomery County is authorized by the Education Article and State Government Article of the Annotated Code of Maryland to conduct certain meetings or portions of its meetings in closed sessions; now therefore be it

Resolved, That the Board of Education of Montgomery County conduct a portion of its meeting on Monday, September 25, 2000, in Room 120 of the Carver Educational Services Center from 7:00 to 8:00 p.m. to discuss personnel matters, as permitted under Section 10-508(a)(1) of the State Government Article, consult with counsel to obtain legal advice, as permitted by Section 10-508(a)(7) of the State Government Article; and review and adjudicate appeals in its quasi-judicial capacity and to discuss matters of an executive function outside the purview of the Open Meetings Act (Section 10-503(a) of the State Government Article); and be it further

RESOLUTION NO. 670-00 Re: WALK YOUR CHILD TO SCHOOL DAY

On motion of Mrs. O’Neill and seconded by Mr. Felton, the following resolution was adopted unanimously after the Board agreed by consensus that this resolution could be voted on without a layover:

WHEREAS, Delegate William A. Bronrott from District 16, Chair of the recently appointed Montgomery County Blue Ribbon Panel on Pedestrian and Traffic, has asked Montgomery County Public Schools to be a full participant in Walk Your Child to School Day; and

WHEREAS, Hundreds of children could be saved from injury and death each year if every community took steps to make pedestrian safety a priority; and
WHEREAS, Parents and caregivers should teach children about pedestrian safety and become aware of the difficulties and dangers that children face on their trip to school each day; and

WHEREAS, Community leaders and parents should determine the "walkability" of their community; and

WHEREAS, Everyone should make a plan to increase the safety of children who are walking in our communities; and

WHEREAS, Children, parents, and community leaders are joining together nationwide to walk to school and evaluate pedestrian safety in their community; now therefore be it

Resolved, That the Board of Education proclaim October 4, 2000, "Walk Our Children to School Day" in Montgomery County, Maryland; and be it further

Resolved, That the superintendent of schools notify the community and school population of "Walk Our Children to School Day," publicize this proclamation and the school system's participation through a press release and an article in the Bulletin, and encourage everyone to consider the safety of pedestrians every day.
