**Re: ALIGNMENT OF POLICIES AND THE STRATEGIC PLAN**

Staff explained that for the past several months, the Board Policy Committee has developed an analytic framework to align Board policies with the vision articulated in *Our Call to Action: Pursuit of Excellence*, the strategic plan. In designing the framework for analyzing the
relationships between Board policies and the strategic plan, the Board Policy Committee and staff have identified core governance policies. These are policies that express clear, comprehensive visions of the fundamental values and goals of the Board of Education.

In addition to identifying core governance policies, the Board Policy Committee and staff have identified supporting policies. These are policies that address a vital component of an overarching goal. Finally, there are ancillary policies that address limited areas related to the goal.

The objective of the Board Policy Committee is to use this infrastructure to facilitate the ongoing work in the area of policy development and revision. The next phase of developing the policy framework is to develop a plan to support ongoing monitoring of implementation and evaluation of the effectiveness of policies, as well as their synergistic relationship to the strategic plan.

4. Consulted with counsel to receive legal advice as permitted under Section 10-508(a)(7) of the State Government Article.
5. Discussed matters of an executive function outside the purview of the Open Meetings Act (Section 10-503(a) of the State Government Article).

In attendance at the closed session were: Larry Bowers, Patrick Clancy, Sharon Cox, Reggie Felton, Charles Haughey, Roland Ikheloa, Don Kopp, Don Kress, Frieda Lacey, Walt Lange, George Margolies, Pat O’Neill, Brian Porter, Lori Rogovin, Gabe Romero, Glenda Rose, Sagar Sanghvi, Gregory Thornton, Matt Tronzano, Jerry Weast, and Carey Wright.

RESOLUTION NO. 251-04 Re: MARYLAND HIGH SCHOOL ASSESSMENTS

On recommendation of the Superintendent and on motion of Mrs. O’Neill seconded by Mr. Lange, the following resolution was adopted unanimously by members present:

WHEREAS, In December 2003, the Maryland State Department of Education released the 2003 HSA results for the state, school systems, and individual schools and also recalculated 2002 results based on the adopted passing marks; and

WHEREAS, The Maryland State Board of Education at its meeting on December 2, 2003, and again on February 24, 2004, approved a proposal to require that all diploma-bound Maryland students complete four HSA courses and take the corresponding HSA as a graduation requirement, and published in the April 10, 2004, Maryland Register, draft regulations to link passing the HSA to high school graduation beginning with students who are scheduled to graduate in 2009; and

WHEREAS, The Montgomery County Board of Education supports the concept of rigorous high-stakes tests that determine student mastery of the curriculum and has worked diligently over the years to support the HSA development and implementation; and

WHEREAS, The Board has asked several questions and offered constructive criticism throughout the HSA development process in order to assure true stakeholder collaboration and inclusion and also to ensure that the tests are accurate and can be used to monitor individual student and school progress towards meeting the state’s goals; now therefore be it

Resolved, That the Board request the Maryland State Board of Education and the Maryland State Department of Education to:
• Adopt and implement an HSA program that focuses on using the tests to monitor and guide local school system measurements of, and responses to, student, school, and school system performance in accordance with the requirements of the No Child Left Behind Act and Maryland’s accountability program

• Ensure that the adoption of a rigorous, high-stakes testing program is matched with the full funding required to implement intervention programs that will provide an increased opportunity for all children to meet the new standards

• Ensure that the HSA program includes alternate methods of ascertaining student skills and knowledge that can be accessed by students with disabilities, English language learners, low-income students and other students with special challenges

• Provide assurances about the quality of the HSA by releasing immediately the HSA Technical Manual that would outline all the procedures used to ensure test reliability and validity

• Provide sub-score information when releasing scores to the school system, so that schools and curriculum developers can target areas for improvement and conduct analyses that would identify and prioritize areas where improvement efforts should be directed because schools need specific information about individual students to provide remediation to the students

• Implement a communication plan for the benefit of all stakeholders that provides clear, appropriate and timely information about the new HSA, including its role in narrowing the gap in academic achievement among racial and ethnic groups and assurances that the tests as designed will not have a disparate impact on the ability of all subgroups of students to excel academically; and be it further

Resolved, That the Board request that the Maryland State Board of Education postpone action to adopt any proposal on the HSA program until December 2004 to allow the Maryland State Department of Education to address all the concerns that have been raised by stakeholders; and be it further

Resolved, That this resolution be shared with the Maryland State Board of Education, the Maryland State Department of Education, the Maryland Association of Boards of Education, and all local Boards of Education in Maryland.

RESOLUTION NO. 252-04 Re: APPEAL 2004-11

On motion of Mrs. O’Neill seconded by Mr. Sanghvi, the following resolution was adopted unanimously by members present:
Resolved, That the Board of Education adopt its Decision and Order in Appeal 2004-11, student discipline, reflective of the following vote: Ms. Cox, Mr. Felton, Dr. Haughey, Mr. Lange, Mrs. O’Neill, and Mr. Sanghvi voting to affirm; Mr. Burnett and Mr. Romero were absent when this case was adjudicated.
