Re: BOARD/SUPERINTENDENT COMMENTS

Dr. Docca attended the Youth International Entrepreneurial Program which is a collaborative program with other institutions to form the Silver Spring Links Scholarship Program.

Mr. Xie commented on his first Board meeting, and he looked forward to working with the Board and learning new things.

Mr. Durso welcome Mr. Xie and thought it was important to have a student’s perspective.

Mr. Bowers commented on the following topics: (1) work during the summer; (2) Emmy for ITV; (3) summer meals program; and (3) partnership with the Montgomery County Police Department.

Re: COROLLARY ATHLETICS AND ADAPTED PHYSICAL EDUCATION

Mr. Bowers invited the following people to the table: Mrs. Chrisandra A. Richardson, associate superintendent, Office of Special Education and Student Services; Dr. William G. Beattie, director, Systemwide Athletics; Ms. Jane W. Harkaway, instructional specialist, Adapted Physical Education; Dr. Debra S. Munk, principal, Rockville High School; and Mr. Michael A. Bovino, consultant, Special Olympics Maryland.
Montgomery County Public Schools (MCPS) believes strongly in the principles of inclusion in all aspects of education. The theme of inclusion is integral to key district policies, regulations, publications, and resources—inventing all to participate, providing opportunities for all, encouraging all to grow and succeed. These critical messages appear repeatedly. The MCPS vision states, “All children will receive the respect, encouragement, and opportunities they need to build the knowledge, skills, and attitudes to be successful, contributing members of a global society.” MCPS is striving to exemplify this principle of inclusion in its physical education and interscholastic programs as well. In this memorandum and presentation to the Board of Education, the Board was provided with information about the district’s response to the Fitness and Athletics Equity Act, passed by the Maryland General Assembly in 2008. It also described steps that MCPS has taken to address students’ needs and to enhance quality participation in physical education and interscholastic athletics.

Currently, approximately 1,500 students with disabilities participate annually in the MCPS High School Interscholastic Athletics Program; however, for many special needs students, challenges to their participation remain. Addressing challenges to participation unlocks the benefits of physical fitness and athletics for more students, breaking stereotypes, countering preconceived notions, and strengthening an inclusive community. For many, memories of physical activities evoke either joy or discomfort. Adults may remember times they felt the exhilaration of participating or the discomfort or worry about being excluded from athletic events or team competitions. Altering the cultural paradigm so that all students have the opportunity to experience the positive benefits associated with participation is a goal of corollary athletics and adapted physical education. The rollout has begun—five high schools piloted Allied softball teams during the 2010 spring season. MCPS plans full implementation of a corollary sports program in all MCPS high schools during the 2011–2012 school year, with fall, winter, and spring teams competing against similar teams in other school systems for regional and state championships. Staff members in the offices of Special Education and Student Services and Curriculum and Instructional Programs will disseminate adapted physical education guidelines to school administrators by the opening of the 2010–2011 school year. By January 2011, physical education teachers in all MCPS schools will have received training on the legal basis for adapted physical education, assessment procedures, and instructional strategies. In MCPS, family-school relationships are a priority. The district’s efforts to include all individuals focus on academic pursuits and preparing students for college and career readiness, as well as building relationships, creating a sense of belonging, and developing self-, school, and community pride.

Re: DISCUSSION

Ms. Brandman was interested in professional development for adaptive physical education. Staff stated that teachers will be trained by January 2011 to implement the program, especially based on IEPs and objectives for children. There will be assessments to determine compliance with the IEP and state law. Furthermore, there will be quarterly reports.
Mr. Durso remarked that he misses the interaction of students, whether disabled or not. The overall school population has a better understanding and acceptance with interaction.

Mrs. O’Neill thought that the opportunity for disabled students is extraordinary, and she commended Delegate Karen Montgomery for the legislation. She asked for a schedule of the Corollary Sports Program when it is available in order for Board members to attend some of the competitions.

Ms. Berthiaume stated that she was impressed with efforts of the Special Olympics to help disabled students. She asked about the determination that the full eligibility requirements would apply to this program, and she asked how many students will be served by this program. What are the budget implications? Staff responded that there will be 1,000 students involved in the program—half of the students with disabilities and half of them without disabilities. Mr. Bowers commented that funds have been included in the budget for stipends, uniforms, and transportation.

Ms. Brandman asked about the eligibility requirements and why they are used. Staff explained that they are on the same footing as other students, and their athletic letters will mean the same as other students’ letters.

On recommendation of the superintendent and on motion of Ms. Brandman seconded by Dr. Docca, the following resolution was adopted unanimously by members present:

WHEREAS, The Board of Education of Montgomery County, Maryland, by Resolutions 334-65, 365-65 and 415-02, has offered a tax-sheltered saving program for its employees since 1965 and a deferred compensation program since 2003 in accordance with Sections §403(b) and §457(b), respectively, of the Internal Revenue Code as amended; and

WHEREAS, A review of the performance and service of defined contribution companies is made periodically to determine whether they should continue or new companies should be added; and

WHEREAS, Having been duly advertised under Request for Proposal 1143.4, companies were asked to submit proposals for consideration; and

WHEREAS, An expert consultant, Mercer Investment Consulting, was retained to assist in the evaluation of record keeping and investment proposals; and

WHEREAS, Staff completed the evaluation by combining Mercer’s analysis with data on company performance and employee participation; and

WHEREAS, Evaluation results and recommendations were presented to and approved by members of the Board of Education Fiscal Management Committee; now therefore be it

Resolved, That the following nine companies previously approved by the Board of Education be continued as defined contribution companies under a five-year contract upon successful negotiation of contracts reflecting bid responses:

- Fidelity Investments Tax-Exempt Services Company
- ING Financial Services
- Lincoln Financial Group
- Lincoln Investment Planning
- MetLife Resources
- Morgan Stanley Smith Barney/Diversified Investment Advisors
- T. Rowe Price Associates
- TIAA-CREF
- VALIC

and be it further

Resolved, That the VALIC retirement manager is retained to provide common remitter and administrative services to the plans under a five-year contract; and be it further
Resolved, That nothing in these resolutions should be deemed to constitute the Board’s recommendation of one provider over another or the Board’s recommendation or endorsement of any particular investment product offered by an approved defined contribution company; and be it further

Resolved, That Board of Education hereby authorizes the appropriate individuals to take such further actions and execute such documents as may be necessary or advisable to affect these resolutions.

RESOLUTION NO. 372-10 Re: AMENDMENTS TO THE MCPS TAX-SHELTERED SAVINGS PLAN AND DEFERRED COMPENSATION PLAN

On recommendation of the superintendent and on motion of Ms. Brandman seconded by Dr. Docca, the following resolution was adopted unanimously by members present:

WHEREAS, Section 10.2 of the Tax-Sheltered Savings Plan and Section 8.1 of the Deferred Compensation Plan provide that the Board of Education may amend the Plans at any time; and

WHEREAS, The proposed amendments were presented to and approved by members of the Board of Education Fiscal Management Committee; and

WHEREAS, The Board of Education wishes to amend the Plans as described above; now therefore be it

Resolved: That the Board of Education hereby adopts Amendment No. 1 to the Montgomery County Public Schools Tax-Sheltered Savings Plan and Amendment No. 1 to the Montgomery County Public Schools Deferred Compensation Plan, in substantially the forms attached hereto and authorizes the appropriate individuals to take such further actions and execute such documents as may be necessary or advisable to effect this resolution.
RESOLUTION NO. 373-10Re: FY 2011 SUPPLEMENTAL APPROPRIATION REQUEST FOR AGING SCHOOLS PROGRAM FUNDS

On recommendation of the superintendent and on motion of Ms. Brandman seconded by Dr. Docca, the following resolution was adopted unanimously by members present:

WHEREAS, On May 19, 2010, the Board of Public Works approved the allocation of $6.1 million in funding for the Aging Schools Program to those jurisdictions that will participate in the Fiscal Year 2011 Aging Schools Program; and

WHEREAS, The Interagency Committee on Public School Construction and the Board of Public Works approved $602,651 for Montgomery County Public Schools; and

WHEREAS, The State Public School Construction Program requires that the approved Aging Schools Program projects be completed before reimbursement can occur; and

WHEREAS, A supplemental appropriation from the County Council is required to forward fund the Aging School Program projects; and

WHEREAS, The State Public School Construction Program will reimburse Montgomery County for the entire cost of the projects once completed; now therefore be it

Resolved, That the Board of Education request a Fiscal Year 2011 supplemental appropriation and amendment to the Fiscal Year 2011–2016 Capital Improvements Program in the amount of $602,651 to fund eligible projects in the Aging Schools Program; and be it further

Resolved, That a copy of this resolution be transmitted to the county executive and County Council.

RESOLUTION NO. 374-10Re: FY 2011 SUPPLEMENTAL APPROPRIATION REQUEST FOR QUALIFIED ZONE ACADEMY BOND GRANT

On recommendation of the superintendent and on motion of Ms. Brandman seconded by Dr. Docca, the following resolution was adopted unanimously by members present:

WHEREAS, On May 19, 2010, the Board of Public Works approved the allocation of $4.2 million in Qualified Zone Academy Bond interest earnings to those jurisdictions that will participate in the Fiscal Year 2011 Qualified Zone Academy Bond program; and

WHEREAS, The allocations are based on each school district’s proportion of the statewide pre-1970 building area that has not been renovated and its percentage of students eligible for free or reduced-price meals; and
WHEREAS, The Interagency Committee on Public School Construction and the Board of Public Works approved $480,090 for Montgomery County Public Schools; and

WHEREAS, The State Public School Construction Program requires that the approved Qualified Zone Academy Bond projects be completed before reimbursement can occur; and

WHEREAS, A supplemental appropriation from the County Council is required to forward fund the Qualified Zone Academy Bond projects; and

WHEREAS, The State Public School Construction Program will reimburse Montgomery County for the entire cost of the project once completed; now therefore be it

Resolved, That the Board of Education request a Fiscal Year 2011 supplemental appropriation and amendment to the Fiscal Year 2011–2016 Capital Improvements Program in the amount of $480,090 to fund eligible projects in the Qualified Zone Academy program; and be it further

Resolved, That a copy of this resolution be transmitted to the county executive and County Council.

Re: RECOMMENDATIONS FOR FACILITIES ASSESSMENT WITH CRITERIA AND TESTING (FACT) ASSESSMENT PARAMETERS

On recommendation of the superintendent and on motion of Ms. Brandman seconded by Dr. Docca, the following resolution was placed on the table:

WHEREAS, Montgomery County Public Schools conducts a systematic process for modernization of older school facilities; and

WHEREAS, Montgomery County Public Schools applies an objective assessment methodology, known as the Facilities Assessment with Criteria and Testing instrument, to score facility conditions and develop a ranking of schools for modernization according to a total assessment score; and

WHEREAS, The Facilities Assessment with Criteria and Testing methodology was reviewed by a multistakeholder committee, known as the Facilities Assessment with Criteria and Testing Review Committee, in March and April 2010 to determine if changes to the methodology were needed; and

WHEREAS, On April 27, 2010, the Facilities Assessment with Criteria and Testing Review Committee made recommendations to the superintendent of schools on revised assessment characteristics of schools, termed “assessment parameters”; and

WHEREAS, On June 15, 2010, the superintendent of schools endorsed the Facilities Assessment with Criteria and Testing Review Committee recommended assessment
parameters and recommended continued stakeholder involvement as the Facilities Assessment with Criteria and Testing measures, weighting, and scoring approach is developed; and

WHEREAS, On June 22, 2010, the Board of Education conducted a work session on school modernizations that included discussion of the recommended Facilities Assessment with Criteria assessment parameters; and

WHEREAS, On June 22, 2010, the Board of Education requested that stand-alone special education centers receive a separate assessment to determine the need for future systemic capital improvements; now therefore be it

Resolved, That the attached listings of Facilities Assessment with Criteria and Testing assessment parameters (Attachment A) be applied in the assessment of schools identified to be appended to the queue for modernization in Fiscal Year 2011; and be it further

Resolved, That further refinement of the Facilities Assessment with Criteria and Testing methodology, including identification of measures, weights, and the overall scoring approach, be developed with stakeholder input, including Montgomery County Council of Parent and Teacher Associations, Inc. representatives, as well as other stakeholders who participated in the Facilities Assessment with Criteria and Testing Review Committee; and be it further

Resolved, That the completed Facilities Assessment with Criteria and Testing methodology be presented to the Board of Education in September 2010 for review; and be it further

Resolved, That following Board of Education review of the completed Facilities Assessment with Criteria and Testing methodology, the school assessment process be conducted in Fiscal Year 2011 for the schools identified for assessment; and be it further

Resolved, That the attached list of schools (Attachment B) be those that are assessed in Fiscal Year 2011; and be it further

Resolved, That the Facilities Assessment with Criteria and Testing scores for assessed schools be published as part of the Fiscal Year 2013–2018 Capital Improvements Program in November 2011; and be it further

Resolved, That the newly assessed schools be appended at the end of the list of schools already in the queue for modernization so that the schedule for schools previously assessed remains unchanged; and be it further

Resolved, That the Rock Terrace School, the Carl Sandburg Learning Center, and the Stephen Knolls School have their facility conditions assessed for systemic capital improvement needs, and that the capital maintenance projects necessary to maintain these
facilities in good condition be identified for consideration in a future Capital Improvements Program until such time as the programs can be collocated with other Montgomery County Public Schools facilities.

RESOLUTION NO. 375-10  Re: AN AMENDMENT TO RECOMMENDATIONS FOR FACILITIES ASSESSMENT WITH CRITERIA AND TESTING (FACT) ASSESSMENT PARAMETERS

On motion of Mr. Kauffman and seconded by Ms. Brandman, the following amendment was adopted unanimously by members present:

WHEREAS, On June 22, 2010, the Board of Education discussed whether stand-alone special education centers should receive a special assessment for modernization at the same time as the schools identified in Attachment B; now therefore be it

Resolved, That the Rock Terrace School, the Carl Sandburg Learning Center, and the Stephen Knolls School be included in the list of schools assessed for modernization (Attachment B); however, if the Superintendent of School is ready to address facilities improvements in existing stand-alone special education centers prior to the time established by the FACT assessment, a multi-stakeholder workgroup should be convened to review and make recommendations, including consideration of collocation in accordance with Board Resolution No. 558-07.

RESOLUTION NO. 376-10  Re: RECOMMENDATIONS FOR FACILITIES ASSESSMENT WITH CRITERIA AND TESTING (FACT) ASSESSMENT PARAMETERS

On recommendation of the superintendent and on motion of Mr. Kauffman seconded by Ms. Brandman, the following resolution, as amended, was adopted unanimously by members present:

WHEREAS, Montgomery County Public Schools conducts a systematic process for modernization of older school facilities; and

Re: TENTATIVE ACTION, POLICY FKB, MODERNIZATION/RENOVATION

On motion of the Policy Committee, the following resolution was placed on the table:

WHEREAS, Policy FKB, Modernization/Renovation, sets forth guidelines to establish a systematic approach for replacement of building systems and facilities for Montgomery County Public Schools; and

WHEREAS, The Board of Education Policy Committee has considered and recommended revisions to update Policy FKB, Modernization/Renovation; and

WHEREAS, The Montgomery County Board of Education has received the Policy Committee’s recommendation and has made additional language changes to the policy on June 22, 2010; and

WHEREAS, The title of Policy FKB, Modernization/Renovation, does not accurately describe the contents of the policy; now therefore be it

Resolved, That the Board of Education take tentative action on Policy FKB, Modernization/Renovation; and be it further

Resolved, That Policy FKB, Modernization/Renovation be sent out for public comment, with a proposed title of “Policy FKB, Maintenance, Replacement of Building Systems, and Modernization of Montgomery County Public Schools (MCPS) Facilities”.

Maintenance, Replacement of Building Systems, and Modernization of Montgomery County Public Schools (MCPS) Facilities

A. PURPOSE

To establish a systematic approach for replacement of building systems and facilities for Montgomery County Public Schools (MCPS). The approach is intended to address changing educational program standards and aging of building systems
at reasonable cost while providing appropriate spaces for educational programs and services and maintaining a safe, secure, and healthy physical environment for students and staff.

Many schools were built in the decades between 1950 and 1980. Since that time many code requirements have changed and construction methods have been improved, resulting in facilities that are capable of being sustained in good condition over a longer period of time than was the case with older school facilities. A rigorous maintenance program for well-built schools is critical to ensuring that the substantial taxpayer investment in school infrastructure is preserved. This policy recognizes that maintenance and systemic replacement activities need to serve as the primary means for keeping all schools in good condition over the extended life of a facility. At the same time, the policy recognizes that at some point the useful life-cycle of a facility has been reached and major modernization is necessary.

B. ISSUE

School facilities, building systems, and equipment all require various and continuing levels of attention to achieve their expected life-cycle. MCPS views facility maintenance as being on a continuum ranging from routine repairs to replacement of building systems to complete modernization of facilities.

The Board of Education (Board) should determine when funds will be spent on school facilities:

a) To sustain facilities through routine maintenance of building systems.

b) To replace building systems on a systematic schedule based on the anticipated life-cycle of these systems.

c) To modernize facilities when overall physical limitations of the facility can no longer support the educational program or comply with applicable building codes and regulations.

C. POSITION

The pursuit of the systematic life-cycle replacement of building systems and facilities will:

1. Enable school facilities to remain in good condition for a long period of time through the coordinated scheduling of building system repairs and replacements. These activities are based on routine maintenance protocols and anticipated life expectancies of various building systems.

2. Enable appropriate levels of funding to be requested and allocated for
systemic projects that ensure all MCPS facilities stay in good condition.

3. Enable school facilities to be scheduled for complete modernization when overall physical limitations of the facility can no longer support the educational program or current building codes.

4. Maintain all school facilities at consistently high operational levels and maximize the life-span of existing physical plant assets.

D. DESIRED OUTCOME

In order to support its educational programs, MCPS will sustain the life of MCPS facilities through a balanced approach of maintaining and replacing building systems, while also providing for modernization or replacement of facilities when physical limitations of a facility can no longer support the educational program.

E. REVIEW AND REPORTING

The Educational Facilities Master Plan (Master Plan) will constitute the official reporting on the annual funding of systematic life-cycle replacement of building systems and facilities. This document will reflect facilities actions taken by the Board, and funds approved by the County Council for systemic capital projects needed to sustain schools in good condition.

This policy will be reviewed in accordance with the Board of Education’s policy review process.

At 5:55 p.m., after the discussion of the appeals and Decisions and Orders, Patrick Clancy left the meeting. At 5:55 p.m., Dr. Weast joined the Board of Education to discuss dues to MABE and NSBA. At 6:10 p.m., the following staff joined the Board in closed session: Larry Bowers, Brian Edwards, Carole Goodman, Ursula Hermann, LaVerne Kimball, Frieda Lacey, Erick Lang, Jody Leleck, Sherry Liebes, Chris Richardson, Frank Stetson, Adrian Talley, and Dana Tofig.

RESOLUTION NO. 395-10Re: APPOINTMENT OF STUDENT MEMBER OF THE BOARD TO THE POLICY COMMITTEE

On recommendation of the superintendent and on motion of Ms. Brandman seconded by Mr. Kauffman, the following resolution was adopted unanimously by members present:

WHEREAS, On November 13, 2001, the Board of Education formally established a Policy Committee when it adopted revisions to Policy BFA (Policysetting); and

WHEREAS, The Policy Committee consists of not less than three members serving staggered terms of three years each; and

WHEREAS, Pursuant to Policy BFA, the Board may appoint the student member to serve as a fourth full member of the committee; and
WHEREAS, Mr. Timothy Hwang’s term expired on June 30, 2010; now therefore be it

Resolved, That Mr. Alan Xie, student member, be appointed to serve as a member of the Board of Education’s Policy Committee until the expiration of his term of office on June 30, 2011.

RESOLUTION NO. 396-10

Re: APPEALS

On motion of Ms. Brandman seconded by Mr. Kauffman, the following resolution was adopted unanimously by members present:

WHEREAS, The Board of Education has met in closed session and deliberated on appeals brought before its members acting in its quasi-judicial capacity under Section 10-508(a) of the State Government Article of the Annotated Code of Maryland; now therefore be it

Resolved, That the Board of Education hereby decides the following appeals reflective of the Board members’ votes in closed session, the disposition of which will be recorded in the minutes of today’s meeting:

---

* The Woodward Holding Center will be modernized following completion of the Tilden Middle School modernization on Tilden Lane. Therefore, Woodward Holding Center will not need to be assessed in this new round of assessments.

** Since Northwood High School is the only high school to be added to the queue for high school modernizations, it will not be necessary to assess its condition since it will be added at the end of the current queue of high schools.
