Re: **BOARD/SUPERINTENDENT COMMENTS**

In the wake of the Dr. Weast’s retirement announced, each Board member commented on the superintendent’s contribution to Montgomery County Public Schools. Those comments include Dr. Weast’s passion for educating children and his tireless support and advocacy for all children, his development of leadership, and enhancing the brand of MCPS.

Board members recognized Mr. Abrams’ contributions to MCPS and his “out-of-the-box” thinking, which helped his colleagues in their decision-making roles.

Mr. Durso commented that he attended an open house at the Residency and International Student Admissions Office. Since it is the first impression for some parents and students, he wanted to acknowledge the work of staff.

Ms. Berthiaume congratulated Dr. Grasmick on the approval of the Race to the Top application.

Mr. Barclay commented on the Residency and International Admissions Office, and he applauded the staff and the unified services for families.

Ms. Brandman welcomed back the teachers and students for the coming school year, and she wished them the best. She invited people to attend the Back-to-School Fair on August 28, 2010.

Mrs. O’Neill recognized the new teacher orientation and the excellence of the on-boarding process.

Dr. Weast thanked the Board members for their kind remarks. Also, Dr. Weast would love to have a graduation site in Montgomery County. Mr. James Schafer, a physics and mathematics teacher at Montgomery Blair High School, has been named a finalist for 2010–11 Maryland Teacher of the Year. Finally, Dr. Weast noted that more students are taking the ACT test for college admission.
