Re: DISCUSSION

For the full discussion of the Board’s reasons, please refer to.
A brief summary of the Board’s reasons for denying the charter application are as follows:

- Serious concerns about the staff’s ability to operationalize the proposed instructional program;
- Concern that the instructional blueprint is a loose grouping of goals without a developed plan for curriculum implementation and without appropriate assessments;
- Concern that the proposed facility is inadequate including inadequate planning for building safety and security;
- Inadequate plan for professional development of teachers;
- Concern that proposed reliance on cold meals only is not appropriate;
- Concern that the planned reliance on volunteers to supplement instruction in the arts and other non-core courses is problematic.
