All Board members commented on the retirement of Dr. Lacey and that this was her last Board meeting. As a special education teacher, an administrator, the chief of staff and the deputy superintendent of schools, the mission for Dr. Lacey has been to give a voice to those who are not heard and to relentlessly pursue equity and excellence for every student. Her 41 years of dedicated service will be missed by the students of Montgomery County.

Dr. Docca reported that she attended the (1) promotion ceremonies at the Islamic Center in Gaithersburg, and (2) celebration at Mt. Pleasant where there was a video on the history of Quince Orchard Colored School.

Mr. Durso commented that the graduations are finished and it was an outstanding year for all students and parents. He was especially impressed with the graduation of the students from the Gateway Program.
Dr. Starr commented on the (1) Spring Forum Report, (2) Identity, Inc. Annual Celebration, (3) Hispanic Media Roundtable, (4) MCPS Appreciation Night at the Bethesda Big Train, (5) MCPS Summer Food Service Program Media Event, and (6) the retirement of Dr. Lacey and his personal appreciation for her service to children.

Re:  CORE VALUES DISCUSSION

Mr. Durso commented that on June 4, 2012, the Strategic Planning Committee met to discuss and develop a proposed process for the Board’s role in revising the system's strategic plan, Our Call to Action: Pursuit of Excellence. The committee agreed that the Board could benefit from advance resources that could help lay the groundwork for its work on the possible revisions to the strategic plan’s guiding tenets (core values, mission, vision, goals, and priorities).

To that end, Mr. Kevin Ruth, senior vice president of UnitedHealth Group, will be joining the Board for today’s discussion to share and present to the Board his organization’s work about refining its core values. Mr. Ruth will also talk about how UnitedHealth Group has communicated this work across its large organization.

As chair of the Strategic Planning Committee, Mr. Durso appreciated the significance of revising the strategic plan and look forward to working with the Board as a whole as we begin this challenging and important work.

Re:  DISCUSSION

Board Members made the following observations:

- Ms. Berthiaume noted that the Board has been through core value exercises, and there is a major confusion on the “product.” The core values have focused on how and not on what.
- Mr. Kauffman asked who and how long was the process for arriving at core values.
- Ms. Brandman noted the beginning was diagnosing and defining. With the “unfreezing,” is there a gateway? That process is critical and does it consist of sharing relationships. Is there more?
- Mr. Xie observed that UnitedHealth Group had a top down cascade. Would that model be effective in a school system with discrete units, such as schools that have a culture and environment?
Ms. Brandman that there was a realization in the difficulty to make everything align. What does it mean to make decisions aligned with the core values?

Ms. Brandman focused on the final stage of narrowing the core values to reflect the organization.
