MONTGOMERY COUNTY PUBLIC SCHOOLS

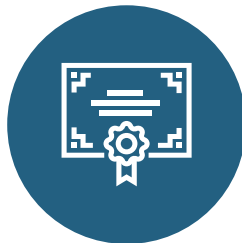

Expanding Opportunity and Unleashing Potential

CAREER READINESS PROGRAMS in Montgomery County Public Schools

In the rapidly changing economy, MCPS Career Readiness programs combine strong academics with technical skills and real-world professional experiences that give students a competitive advantage for lifelong career success. Today's industries are depending on a talented workforce that has the background knowledge, technical skills, and career-related experiences to fill the high-demand, high wage jobs of the future. Now more than ever, MCPS Career Readiness Programs are responding to the changing economy and ensuring that all students have the access and opportunity to gain an early edge on their future.

Expanding Access and Opportunity

Expanded access for all students through regional programs, reducing barriers of transportation, travel time, and distance.

- Expanding pathways to all MCPS students, so that programs are available closer to where students live.
- Regional programs available at Gaithersburg HS, Wheaton HS, Magruder HS, Clarksburg HS, Springbrook HS, Rockville HS, Kennedy HS, Watkins Mill HS and Seneca Valley HS.
- Tuition Free Early College Programs on all three campuses of Montgomery College (MC) (Germantown, Rockville, Takoma Park).
- Tuition Free Dual enrollment opportunities in all MCPS high schools and Montgomery Virtual Academy.
- Virtual Middle College added with 8 degree opportunities
- Expanding Access STEM pathways that begin in high school, continue at Montgomery College, and culminate with a bachelors degree from UMBC at Universities of Shady Grove.
