SITE BASED WORK EXPERIENCE REQUIREMENTS AND CONDITIONS

1. Minors 14–17 years old must submit a completed work permit before beginning site based work experience (SBWE).

4. Students enrolling in the SBWE program are required to maintain continuous employment for the duration of the semester.
5. The student will earn 1.0 credit for each 135 hours worked, up to a maximum of 3 credits per school year. A minimum of 135 hours of SBWE (1 credit) plus credits from the College/Career Research Development and College/Career Seminar are required for career development program completion (CCRD–1 credit; College/Career Seminar–1 credit; SBWE–minimum of 1 credit).
6. Students enrolled in SBWE may not remain on school grounds during their assigned SBWE periods, unless under the direct supervision of a school staff member approved by the SBWE Coordinator.

9. The student must agree to maintain a businesslike attitude and to observe school and work site policies, rules, and regulations.
10. The student may be scheduled to work on days when schools are closed, such as snow days and holidays. Transportation to the work site is the student’s responsibility.
11. A student may NOT terminate employment or transfer to another employer without permission from the SBWE coordinator. The employer, however, maintains the right to dismiss the student at any time.
12. The student’s parents or guardians are responsible for the conduct of the student, both at school and at the work site.
13. The student’s SBWE hours must be verified by a pay stub or signed documentation of hours by the supervisor.
