BUDGET PAGE REFERENCE: N/A

ANSWER:

This year, the capacity of the Lucy V. Barnsley, Thurgood Marshall, and Wyngate elementary schools GT/LD programs is 78 students. In FY 2008, if one GT/LD site is eliminated, the capacity will be 52 students.

Enrollment history, based on actual Special Education Data Systems (SEDS) data, for the elementary GT/LD program is as follows:

FY 2007	42 students

The data for FY 2003 through FY 2006 is as of May 31 for each fiscal year. The SEDS data for FY 2007 is as of December 31, 2006.
