 ROUTES TO MARYLAND EDUCATOR CERTIFICATION

➢ APPROVED TRADITIONAL OR ALTERNATIVE TEACHER PREPARATION PROGRAM
  o This route is when educators who complete a college/university program, including student teaching or a similar supervised experience, in Maryland, another U.S. State or territory, or through a foreign country, that leads to teacher certification.
  o In addition to the preparation program, the educator must also satisfy Maryland testing requirements:
    1. Passing all Maryland tests; or
    2. Submitting a valid or expired out of state or foreign professional teaching certificate with 2 years of written verified satisfactory teaching experience in the subject area of Maryland Educator application.

The experience and certification area must match, e.g., the educator has written verified experience teaching third grade, is certified in elementary education, and is applying to be an elementary teacher in Maryland.

➢ NATIONAL BOARD FOR PROFESSIONAL TEACHING STANDARDS BOARD CERTIFICATION
