All Technical Offers shall be sent to the Division of Construction at the above address, after which they will be reviewed and scored. No faxes or e-mails will be accepted. It is the intent of Montgomery County Public Schools (MCPS) to technically qualify contractors for all projects equal to or less than the largest scope of similar projects which they have successfully completed. Only contractors receiving a minimum technical proposal score of 75 will be considered qualified to bid projects.

Potential bidders who are not pre-qualified by Montgomery County Public Schools must submit a technical offer for pre-qualification and be prequalified and approved not less than 30 days before the bid date. The general contractor pre-qualification form is available online through the Montgomery County Public Schools at: http://www.montgomeryschoolsmd.org/departments/facilities/construction/index.aspx. Once on the Division of Construction homepage, click on Notice to Contractors under the “For Contractors” heading, then scroll down to “Announcements” and the Technical Offer-General Contractors-Major Projects.

Invitations to bid will be issued to approved General Contractors as projects for which the contractor is approved become available for bidding.

Award of contracts for the school projects contemplated by this Notice may only be made to bidders that Montgomery County Public Schools deems to be fully qualified and responsible. Montgomery County Public Schools considers the ability and reliability to timely complete projects to be a critical aspect of being fully qualified and responsible. Accordingly, contractors will be required to submit a listing of all projects completed in the past 3 years, one of which must be a K-12 school of similar size, scope, and duration.

The Technical Offer shall be enclosed in a sealed envelope. The Offeror shall be responsible for clearly marking the following data on the envelope: 1. Technical Offer for Major Construction Projects, 2. Name and address of firm submitting the bid, and 3. Addressed to MCPS Division of Construction, 45 W. Gude Drive, Suite 4300, Rockville, Maryland 20850.

There are 2 parts to this submission: (1) Follow directions for Technical Offer and mail entire package to Donna Hanson, MCPS Division of Construction, 45 W. Gude Drive, Suite 4300, Rockville, MD 20850; (2) Enter project references in web-based Rating Source Program per instructions in this Technical Offer.

Questions regarding the Technical Offer should be referred to Donna Hanson at Donna_E_Hanson@mcpsmd.org, Division of Construction, 45 W. Gude Drive, Suite 4300, Rockville, Maryland 20850. Contact by e-mail is preferred.

The Contractor or supplier who provides materials, supplies, equipment, and/or service for these projects shall attempt to achieve the goals as stated in individual project specifications, directly or indirectly, from Maryland Department of Transportation (MDOT)-certified minority business enterprises (MBE).

The Offeror shall submit the required MBE forms contained in the solicitation with the proposal, and failure to submit these forms may result in the bid being determined as non-responsive.

Instructions pertaining to the bid bond, performance, and materials payment bond requirements are set forth in Section 00100, “Technical Offeror Instructions” for MCPS Major Construction Projects and compliance with same shall be the responsibility of the Contractor submitting the bid.

The conditions contained in this "Notice to Contractors," by their issuance, become a part of the Contract requirements.

The Board of Education reserves the right to waive any informalities or immaterial deviations in the bids, or to reject, any or all bids.

PART 1 - OBJECTIVES

1.1 The objective of this Request is for Montgomery County Public Schools (herein referred to as the Owner or MCPS) to independently evaluate and qualify Prime Contractors to submit bids for the construction of the major construction projects to be funded in the FY 2022-24 Capital Budget. All construction is contingent upon funding approval for the individual projects by the Montgomery County Council. Offerors are to submit only their qualifications to MCPS at this time. The evaluation will be done online through Rating Source, 465 South Orlando Avenue, #401, Maitland, FL 32751.

1.2 The Multi-Step Bid process is being used to identify and pre-qualify those companies with the relevant quantitative experience, requisite skills, and successful work history necessary to perform the required work. Companies are invited to submit their technical qualifications in accordance with the requirements set forth herein.

1.3 It is imperative that the instructions in this technical offer be followed. Incomplete submissions will be rejected.

1.4 Those companies achieving the minimum requisite score on their technical proposals will be deemed qualified to submit bids. Bids received from companies that have not been qualified to submit will not be considered.

1.5 MCPS anticipates the following sequence of events as they relate to this Multi-Step Bid Process:

A. Receive Technical Proposals for review at MCPS offices at least 30 days prior to bid date.

B. Review, score and notify submitting firms of their status within 10 working days of receipt provided complete information has been submitted.

1.6 All work performed under this contract shall be in accordance with the MCPS "General Conditions of the Contract for Construction" AIA A201-2007 as modified or supplemented by any amendments, the Contract Drawings, the Technical Specifications, any Addenda, and other components of the Contract.

1.7 It is the intent of MCPS to technically qualify Contractors for all projects equal to or less than the largest scope of similar projects which they have successfully completed. Contractors deemed qualified to bid on projects of a particular scope will be notified via e-mail of availability of drawings and specifications for upcoming bids.

1.8 Upon completion of the evaluation of all Technical Offers submitted in response to this solicitation, construction documents and drawings will be issued to those Prime Contractors achieving the minimum or better technical score of 75. Scoring of proposals is weighted as follows:

- Average Ratings Provided By References: 75 points
- Overall Qualification and Project Capacity: 25 points

1.9 Contract award is not final until approval by the Board of Education of Montgomery County.
1.10 A debriefing of an unsuccessful Offeror will be conducted upon written request submitted to the Division of Construction, Montgomery County Public Schools, 45 W. Gude Drive, Suite 4300, Rockville, Maryland 20850, within 30 days of status notification. A debriefing shall be scheduled at the earliest feasible time. The debriefing shall be limited to a discussion of the unsuccessful Offeror’s technical qualifications only and shall provide information on areas in which it was deemed weak or deficient.

PART 2 - PRE-QUALIFICATION

2.1 Applicants shall submit qualification information in accordance with the requirements identified herein. The MCPS Procurement Officer or his representative may, at his discretion, contact one or more Applicants during the evaluation process for clarification of any entries submitted by the Applicant and may request additional information. Such additional information must be submitted to MCPS no later than five (5) days after the request.

2.2 The decision to pre-qualify an Applicant shall be based primarily on the information submitted as part of the Technical Offer. The pre-qualification shall not be construed to constitute a determination that the applicant has met the requirements of the contract bid proposal. Furthermore, MCPS reserves the right to reevaluate or change pre-qualification requirements or decisions based on information received at any time up to the final construction bid award. Previous project experience with Montgomery County Public Schools will be considered even if those projects are not submitted for evaluation.

8.5 Failure to notify MCPS of any material change in bonding status, corporate structure, or personnel
shall constitute grounds for rescinding a "qualified to bid" rating or for rejection of a bid.

PART 9 - RIGHT TO REJECT BIDS AND TO WAIVE INFORMALITIES

9.1 The Board of Education reserves the right to waive any informalities or immaterial deviations in the Multi-Step Bid, or to reject, any or all bids.

PART 10 - APPLICATION REQUIREMENTS

10.1 The following information must be furnished in the Technical Offer portion of the Multi-Step bid. Failure to include any of the items listed below will disqualify a firm’s response. Technical Offerors should describe in detail and provide evidence supporting the qualifications requested below. A qualifying score of 75 or better must be achieved by the Offeror to be allowed to proceed to the bidding phase in this procurement process.

10.2 MCPS reserves the right to require that the contractor demonstrate that it has the skills, competence, responsibility, equipment, and other resources to satisfactorily perform the nature and magnitude of work necessary to complete the project within the proposed contract schedule.

The offeror will notify Montgomery County Public Schools of any known changes to the “Reference Contact E-mail Address.” Montgomery County Public Schools reserves the right to consider any offeror non-qualified if the number of ratings completed by the listed “Reference Contacts” is insufficient, or for any other gross irregularities in the reference-checking process.

CERTIFIED MINORITY BUSINESS ENTERPRISE UTILIZATION AND FAIR SOLICITATION AFFIDAVIT

This document shall be included with the submittal of the Technical Offer. If the Offeror fails to submit the form with the Technical Offer as required, the procurement officer shall deem the offer as not reasonably susceptible of being selected for award.

In conjunction with the offer submitted for Technical Qualifications, I affirm the following:

1. I acknowledge the overall certified Minority Business Enterprise (MBE) State of Maryland participation goal of 29 percent and, if specified in the solicitation, subgoals of 7 percent for MBEs classified as African American-owned and 4 percent for MBEs classified as Asian American-owned. I will make a good faith-effort to achieve this goal.

I will check the appropriate box at project bid time.

☐ I have met the MBE participation goal of 29 percent as indicated on my MBE Participation Schedule.

☐ After having made a good faith effort to achieve the MBE participation goal, I conclude I am unable to achieve it. Instead, I intend to achieve MBE participation of ____% as indicated on the MBE Participation Schedule (Attachment B). Within 10 business days of receiving notice that our firm is the apparent low bidder or awardee (competitive sealed proposal), I will submit a written MBE Request for Waiver (Attachment F page 1 and 2) per COMAR 21.11.03.11.

☐ After having made a good faith effort to achieve the MBE participation goal, I conclude I am unable to achieve any of the goals. I am, therefore, submitting with the bid, the MBE Participation Schedule indicating “No Participation”, and within 10 business days of receiving notice that our firm is the apparent low bidder or awardee (competitive sealed proposal), will submit a written MBE Request for Waiver per COMAR 21.11.03.11.

2. I understand that if I am notified that I am the apparent awardee, I must submit the Subcontractor Project Participation Statement (Attachment D), the Outreach Efforts Compliance Statement (Attachment C), the Minority Subcontractors Unavailability Certificate (Attachment E) (if applicable), and the MBE Request for Waiver (if applicable), within 10 working days of receiving notice of the potential award or from the date of conditional award per COMAR 21.11.03.10 and 11, whichever is earlier, and any other documentation required by the Procurement Officer to ascertain bidder or Offeror responsibility in connection with the certified MBE participation goal.

I acknowledge that if I fail to return each completed document within the required time, the Procurement Officer may determine that I am not responsible and therefore not eligible for contract award. If the contract has already been awarded, the award is voidable.

3. I acknowledge that the MBE subcontractors/suppliers listed in the MBE Participation Schedule and any additional MBE subcontractors/suppliers identified in the Subcontractor Project Participation Statement will be used to accomplish the percentage of MBE participation that I intend to achieve.

4. In the solicitation of subcontract quotations or offers, MBE subcontractors will be provided not less than the same information and amount of time to respond as were non-MBE subcontractors.

5. The solicitation process will be conducted in such a manner so as to not place MBE subcontractors at a competitive disadvantage to non-MBE subcontractors.

I solemnly affirm under the penalties of perjury that the contents of this paper are true to the best of my knowledge, information, and belief.
