MONTGOMERY COUNTY PUBLIC SCHOOLS
ANNUAL NOTIFICATION OF ASBESTOS MANAGEMENT PLAN AVAILABILITY
2023-2024

Montgomery County Public Schools (MCPS) has noticed that the asbestos management plan is available for the 2023-2024 school year. The plan is updated annually by the Environmental Protection Agency (EPA) and the Maryland State Department of the Environment to ensure the safety of students and staff.

The following materials containing asbestos (ACM) are identified in the school buildings:

- Materials containing asbestos (ACM) are properly stored and labeled as per the Asbestos Hazard Emergency Response Act (AHERA) and 40 CFR Part 763.
- ACM is maintained in their proper locations and identified with proper labels.
- ACM is handled by qualified individuals.
- ACM is properly stored and handled to prevent any exposure.
- ACM is properly labeled and stored in designated areas.
- ACM is properly stored and labeled in accordance with EPA regulations.
- ACM is properly stored and labeled in accordance with Maryland State Department of the Environment regulations.
