Ion (Lead) Mitigation

Lead in Water

Environmental Protection Agency (EPA) / www.epa.gov/lead

1. Lead/Lead Mitigation:
   - EPA requires schools to test for lead levels in water systems.
   - Testing must be conducted every six months.
   - Access to lead-free water is a requirement.

2. EPA regulations:
   - Schools must comply with EPA standards for lead in drinking water.
   - Non-compliance results in fines.
