CUSTOMER REGISTRATION

Before managing MCPS invoices online, you must first self register to set up a customer account in iReceivables. Prerequisites for registering include the following:

- An e-mail account
- Information about an MCPS invoice recently paid. During self registration, you will be asked either the amount or date of a recent invoice.

Registering as a New User

The following steps explain how to access the FMS iReceivables self registration web page to create an iReceivables account.

1. To create an iReceivables account:
   1. Using your Internet browser, access the MCPS website.
   2. At the top of the page, click the Staff tab.
   3. In the middle of the page, click the Finances & Payroll tab.

   ![Financial Management System link]

   - Pay and schedule information
   - Ordering materials, supplies, and tech products
   - Financial Management System
   - Timekeepers
   - Grant assistance
   - Educational Foundation – small grants

   Financial Management System link

   4. Click the Financial Management System link.

   5. The FMS home page opens. On the left-hand side of the page underneath Logins, click the iReceivables Login link.

7. Enter either your customer account number or a recent invoice number, along with your MCPS e-mail address.

8. Click the **Next** button.

---

9. In the Access Verification section, enter the requested information, which will be either a receipt date or a receipt amount.

10. Click the **Next** button.

---

11. Enter the user information requested. Entries in the **First Name** and **Family Name** (your last name) fields are required.

12. Click the **Next** button.
Access Request: Review Access Request web page

13. Click the **Review Terms and Conditions** link to read the iReceivables account terms and conditions. Before submitting your request, select the check box below the **Review Terms and Conditions** link to indicate you have read and agree with the terms and conditions of this account.

14. Click the **Submit** button.

15. At the e-mail address provided during registration, you will receive an e-mail confirming the creation of this new account. In this confirmation e-mail, a username, password, and login link to iReceivables will be provided. If you do not receive this e-mail, please contact [iReceivablehelp@mcpsmd.org](mailto:iReceivablehelp@mcpsmd.org) to obtain your iReceivables account information.

**NOTE:** At the bottom of the Access Request: Review Access Request web page is a **Contact Us** link that, when clicked, will allow you to send an e-mail to request assistance with iReceivables.

### Opening the iReceivables Home Page

After registering for an iReceivables account, you will receive an e-mail confirmation providing a username, password, and login link for opening the iReceivables home page.

**To open the iReceivables home page:**

1. Left-click the login link provided in the iReceivables confirmation e-mail.

   ![iReceivables Login page](image)

   *Username*  
   *Password*  
   ![Login](image)

   ![TIP](image) [Forgot your password?](image)

2. On the Login page, enter the username and password provided in the confirmation e-mail. Your username will be your MCPS e-mail address. When entering your username, please remember to include the underscore character between your first name, middle initial, and last name.

3. Upon successfully opening the iReceivables home page the first time, you will immediately be prompted to change your password.
**Change Password**

4. Enter the temporary password provided in the confirmation e-mail, followed by a new password of your choice, two times.

5. Click the **Apply** button.

**NOTE:** Your iReceivables and Outlook passwords are *not connected*. If you change one password, the other one will not be affected.

---

**Resetting your iReceivables Password**

If you have forgotten your iReceivables password, you can reset it by following the steps below.

1. **To reset your iReceivables password:**

   1. Navigate to the iReceivables Login page.

   ![iReceivables Login page](image)

   2. Click the **Forgot your password?** link.

   ![Reset Password page](image)

   3. In the **User Name** field, enter your iReceivables username, which will be your MCPS e-mail address.

   4. Click the **Submit** button. A temporary password will be e-mailed to you.
5. The next time you log in to iReceivables with this temporary password, you will be prompted to change your password.

![Change Password](image)

### Change Password page

6. Enter the temporary password provided in the e-mail, followed by a new password of your choice, two times.

7. Click the **Apply** button.

NOTE: Your iReceivables and Outlook passwords are *not connected*. If you change one password, the other one will not be affected.

### MANAGING MCPS INVOICES

In iReceivables, you can view and pay MCPS invoices online. You can also download and print invoices as well as apply credits towards a specific transaction.

### Viewing Account and Invoice Information

You can view account and invoice information on the iReceivables Account Summary page.

To view account and invoice information:

1. After logging in to iReceivables, on the left side of the Navigator, click the **iReceivables Account Management** responsibility.

![iReceivables Account Management responsibility on the Navigator](image)

2. On the right side of the Navigator, click the **Customer Access** link. The iReceivables Account Summary web page opens.
3. While on the Account Summary page, you can drill down to view more details by clicking any underlined (this means it is linked) summary amount.

4. The information on the Account Summary page is detailed in the table below:

<table>
<thead>
<tr>
<th>Account Summary Field</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Your Account Balance</td>
<td>This amount is the total dollar amount left to pay on all outstanding invoices against your account.</td>
</tr>
<tr>
<td>Account Summary Field</td>
<td>Description</td>
</tr>
<tr>
<td>----------------------------</td>
<td>-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>Overdue Receivables</td>
<td>Clicking this link will display a table that identifies all overdue invoices that have not been paid in full. The following information is shown in the table:</td>
</tr>
<tr>
<td></td>
<td>• The transaction number (invoice number)</td>
</tr>
<tr>
<td></td>
<td>• The date of the initial transaction</td>
</tr>
<tr>
<td></td>
<td>• The date full payment of the transaction is due (which by default is typically 30 days after the transaction date)</td>
</tr>
<tr>
<td></td>
<td>• The original amount of each transaction</td>
</tr>
<tr>
<td></td>
<td>• The amount that is still left to pay on each transaction</td>
</tr>
<tr>
<td></td>
<td>Click the transaction number to view all line items that make up the invoice. To return to the Overdue Receivables table, click the <strong>Account</strong> link breadcrumb in the upper-left corner. To return to the Account Summary page, click the <strong>Home</strong> tab shown in the upper-right corner.</td>
</tr>
</tbody>
</table>

Click the **Show Aging** link to display a timeline of when payments were due in the following increments:
- Current
- 1 – 30 Days Past Due
- 31 – 60 Days Past Due
- 61 – 90 Days Past Due
- 90+ Days Past Due

The corresponding amount with each increment details how much money is owed during this particular timeframe. Click the amount for a specific timeframe to display a list of invoices that represent the amount owed.
<table>
<thead>
<tr>
<th>Account Summary Field</th>
<th>Description</th>
</tr>
</thead>
</table>
| Total Open Receivables       | Clicking this link will display a table that identifies all invoices that are still open because they have not been paid in full. The following information is shown in the table:  
  - The transaction number (invoice number)  
  - The date of the initial transaction  
  - The date full payment of the transaction is due (which by default is typically 30 days after the transaction date)  
  - The original amount of each transaction  
  - The amount that is still left to pay on each transaction  
  Click the transaction number to view all line items that make up the invoice. To return to the Total Open Receivables table, click the Account link breadcrumb in the upper-left corner. To return to the Account Summary page, click the Home tab shown in the upper-right corner. |
| Open Payments                | This is the amount of unapplied payments. Clicking this link will display a list of all the open payments for your account.                                                                                                                                               |
| Unapplied Credit Memos       | This is the amount of credit that can be used to reduce the amount due or to pay off an invoice. Clicking this link will display a list of all the credit memos for your account.                                                                                                               |
| Account Balance              | Clicking this link will display a table that identifies all invoices that have not been paid in full, therefore calculating the total amount outstanding against the account. The following information is shown in the table:  
  - The transaction number (invoice number)  
  - The date of the initial transaction  
  - The date full payment of the transaction is due (which by default is typically 30 days after the transaction date)  
  - The original amount of each transaction  
  - The amount that is still left to pay on each transaction  
  Click the transaction number to view all line items that make up the invoice. To return to the Account Balance table, click the Account link breadcrumb in the upper-left corner. To return to the Account Summary page, click the Home tab shown in the upper-right corner. |
### Account Summary Field | Description
--- | ---
Pending Credit Request | This is the amount of credit that is pending approval. Once approved, this credit will then be added to the unapplied credit amount.
Remaining Guarantee | This is the amount of remaining commitment balance to be covered by one or more invoices. This summary field is not utilized by MCPS.

**Downloading your iReceivables Statement**

When you transition to iReceivables, you can choose to receive e-mail notifications or monthly pink invoices. If you elect to receive e-mail notifications and you require a copy of your iReceivables statement, you can download an electronic copy.

» **To download an electronic copy of your iReceivables statement:**

1. On the Account Summary page, click the blue triangle to the left of Statement Download to display selection lists for specifying how to download your iReceivables statement.

   ![Statement Download](Image)

2. Do not change the selections in the **Template** and **Locale** fields. The following are options in the **Format** field:

<table>
<thead>
<tr>
<th>Format</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>EXCEL</td>
<td>Select this option to open or save your iReceivables statement to an Excel file. This is the preferred format if you want to manipulate the data in a spreadsheet.</td>
</tr>
<tr>
<td>HTML</td>
<td>Select this option to open the iReceivables statement in a web browser window. This option is good for quickly printing your iReceivables statement. <em>If you select this option, you must then use your Internet browser’s back button to navigate back to iReceivables.</em></td>
</tr>
<tr>
<td>PDF</td>
<td>Select this option to open or save your iReceivables statement to a portable document format file. This is the preferred option if you wish to save and later print an electronic copy of your statement. <em>This is the recommended option, as it produces a formatted copy of the invoice that can easily be printed.</em></td>
</tr>
<tr>
<td>RTF</td>
<td>Select this option to open or save your iReceivables statement to a rich text format file. This is the preferred format if you want to edit your statement using a word processing program.</td>
</tr>
</tbody>
</table>

3. Click the **Download** button.
4. You will be prompted to open or save your statement.
5. Click **Open** or **Save**, depending on your purpose for downloading the statement.

### Exporting Transactions

After you have drilled down to view more detail about an item listed on the Account Summary page, you can export to Excel the information related to any transaction displayed.

- **To export all your transactions:**
  1. If you wish to export information related to all transactions listed, you *do not* need to choose any specific transactions by selecting the corresponding check boxes. By default, all transactions will be included in the export.

- **Account Details web page**
  2. Below the transactions, in the **Template** field, select **All Receivable Transactions Lines**. In the **Locale** field, leave the selection **English United States (*)**. In the **Format** field, select **EXCEL**.

**Template, Locale, and Format fields**
3. Click the **Export** button. A *File Download* dialog box will open.

![File Download - Security Warning dialog box](image)

*Open or Save dialog box*

4. On the dialog box, click the **Open** button to open the Excel file. Notice that the line item details that make up the entire transaction are displayed in this Excel file; whereas, on the Account Details page in iReceivables, only summative information for the entire transaction is shown.

<table>
<thead>
<tr>
<th>Transaction Type</th>
<th>Status</th>
<th>Date</th>
<th>Description</th>
<th>Shipment Date</th>
<th>Date</th>
<th>Purchase</th>
<th>Sales</th>
<th>Freight</th>
<th>Tax Amount</th>
<th>Original Amount</th>
</tr>
</thead>
</table>

*Exported account details transactions*

▶ **To export a single transaction:**

1. If you wish to export information related to one transaction, you must first click the transaction number from within the table on the Account Details page.

![Transaction table](image)

*Transaction column*

2. The selected invoice opens. At the bottom of the invoice, click the **Export** button. You will be prompted to save or open the invoice in an Excel file format.

![Export button](image)

*Export button*

3. Click **Open** or **Save**, depending on your purpose for exporting the invoice.
Printing a Single Transaction

Printing individual transactions is important because MCPS internal auditors require a paper copy of the invoice as supporting documentation for paying or applying credit towards a specific invoice.

To print a single transaction:

1. If you wish to print information related to one transaction, you must first click the transaction number from within the table on the Account Details page.

<table>
<thead>
<tr>
<th>Transaction</th>
</tr>
</thead>
<tbody>
<tr>
<td>4003884</td>
</tr>
<tr>
<td>4007279</td>
</tr>
<tr>
<td>7004871</td>
</tr>
</tbody>
</table>

   Transaction column

2. The selected invoice opens. At the bottom of the invoice, click the Printable Page button.

   ![Print Preview and Printable Page buttons]

   Print options for a single transaction

   NOTE: If you wish to see how the invoice will look when printed, click the Print Preview button.

3. In the upper left corner, click the Print button.
Paying Invoices

Before paying an invoice with iReceivables, you will need to complete the Authorization Agreement for Direct Deposits (ACH Debit) form, which can be found on the FMS website.

To download the Authorization Agreement for Direct Deposits (ACH Debit) form:

1. Using your Internet browser, access the MCPS website.
2. On the top of the page, click the Staff tab.
3. In the middle of the page, click the Finances & Payroll tab.

   To download the Authorization Agreement for Direct Deposits (ACH Debit) form:

   1. Using your Internet browser, access the MCPS website.
   2. On the top of the page, click the Staff tab.
   3. In the middle of the page, click the Finances & Payroll tab.

4. Click the Financial Management System link.
5. On the left side of the FMS web page, click the Authorization Agreement for Direct Deposits (ACH Debit) link.
6. Print two copies of this form. Send one copy to the Division of the Controller and the other to the bank for your IAF account.

To pay an invoice:

1. On the account summary page, you can click the Overdue Receivables summary amount to view the list of the overdue unpaid invoices. You can also click the Account tab in the upper right-hand corner of the page for a more complete view of transactions in your account. The example below illustrates what is shown when you click the Account tab.

   Account Details web page

2. In the Select column, select a check box next to the invoice you want to pay.
3. At the top of the transactions table, click the Pay button.
4. Do one of the following:
   - If this is your first invoice, add your checking account information by proceeding with the next step.
If you have already paid an invoice, select your previously saved information, then proceed with step 8.

5. To enter information for your checking account, in the **Payment Method** field, select **New Bank Account**.

6. In the **Account Type** field, select **Checking Account**.

7. Input your checking account information as illustrated in the image of the check below.

![Select Payment Method: Entering Check Information](image)

8. In the **Payment Amount** field of the table, enter the amount of payment you would like to apply toward the invoice. If you want to pay part of an invoice, in the **Payment Amount** field, enter the desired amount, and then click the **Recalculate** button before clicking the **Apply** button.

![Payment Amount field](image)

9. At the bottom of the transaction table, click the **Apply** button to save your bank account information and apply the payment.

![Payment confirmation](image)

10. Print the confirmation and attach it to a paper copy of the invoice for bank reconciliation and MCPS internal auditors.
Applying Credits

After you have drilled down to view more details about an item listed on the Account Summary page, you can apply a credit to a specific invoice.

To apply a credit:

1. Click the Account tab in the upper right-hand corner of the page for a more complete view of the transactions in your account.

```

2. In the Select column, specify the invoice to apply credits to by selecting the corresponding check box.

3. At the top of the transactions table, click the Apply Credits button.

4. To apply credits, you must first add unapplied credit(s) to the specified invoice. To add an unapplied credit, at the top of the transactions table, click the Add Credits button.

```
Add credits to the selected invoice

5. The Search and Select: Add Credits web page opens. In the Search By field, select Transaction Number. In the empty field to the right of that field, enter % and click the Go button.

Search and Select: Add Credits web page

NOTE: Entering a percent sign in the empty field means that you want to search for all the unapplied credits for your account.

6. A list of available unapplied credits is displayed. In the Select column, specify the credit you want to use by selecting the corresponding check box.
7. Click the **Select** button.
8. After you have selected a credit, do one of the following:
   - Leave the amount shown in the **Application Amount** field to apply the whole credit.
   - Change the amount to apply a partial credit. To apply a partial credit, in the **Application Amount** field, enter the amount you wish to apply. *Since you are applying a partial credit, the amount must be less than the selected credit, and the value must be preceded with a negative sign indicating that this is a credit and not a payment.* Click the **Recalculate** button.

9. After you have entered the desired amount and removed the lines for which you are not applying credit, click the **Next** button.
10. Specify the invoice(s) against which you would like to apply the credits by selecting the check box in the **Select** column. *The application amount for both the selected invoice and the corresponding credit must be equal.*
11. Click the **Next** button. Review and verify the information you entered.
