THE DEPARTMENT OF MATERIALS MANAGEMENT (DMM) is dedicated to providing exceptional customer service to schools and offices every day.

This tool kit is a practical guide to how your school or office can best leverage our services.

Schools use the MCPS Business Hub to order supplies from our Warehouse Store and Office Max/Depot. Supplies include pens and pencils, textbooks, classroom supplies, art materials, office products, and much more.

Work with Our Staff

DMM offers an extensive number of technical resources and equipment. However, people are our most important resource.

- The 1,100-person workforce consists of skilled specialists who collaborate on a daily basis and are empowered to make decisions to improve products and services.

- All DMM staff pursue ongoing improvement through process management, knowledge management, and addressing critical questions.

- DMM solicits in-person and written feedback from our customers. We depend on your inquiries and suggestions to improve our products and services.

We consider our colleagues in the schools to be members of our team.

The DMM logo reads “We Provide” and “We are stronger together.” We embody this message.

THEY ARE NOT JUST PHRASES FOR US. THEY ARE OUR CULTURE.
FROM PENS AND PENCILS to classroom, art, and office supplies; textbooks; first-aid products and more, schools can order from the DMM Warehouse Store and Office Max/Depot, using the MCPS Business Hub. (see page 4)

THE DIVISION OF FOOD AND NUTRITION SERVICES (DFNS) provides tasty, high-quality, nutritious meals to schools. Dedicated employees are innovative in their efforts to serve meals and respect each student’s needs and differences. Meals are provided in a cost-effective, efficient operation.

- Purchased foods, ingredients, and preparation techniques are reviewed to ensure compliance with nutritional guidelines and the Dietary Guidelines for Americans.

- Menus are planned by licensed, registered dietitians and analyzed by computer to ensure maintenance of dietary goals, such as the 30 percent or less target for calories from fat over a week’s menus.

DFNS participates in several local and national programs, including these:

- **Free and Reduced-price Meals System (FARMS).** Families must apply each year to determine their student’s eligibility for FARMS. Applications are due in September, and the online form is available at [www.myschoolapps.com/Application](http://www.myschoolapps.com/Application). Paper application forms are also available.

- **The Summer Meals Program** provides nutritious meals at no cost to children 18 years of age and younger. This program is designed to bridge the “nutrition gap” when school is out. Children 18 or younger may come to designated locations Monday through Friday to receive a healthy and nutritious lunch. Call to find out if your school is a designated location.

- **Maryland Meals for Achievement**, a research-based program, provides a classroom breakfast to all students in the school; 75 schools participate.

- **The After-school Snack Program** provides nutritious snacks for students up to age 18 who participate in supervised after-school programs.

- **Outdoor Education.** Breakfast, lunch, dinner, and an evening snack are provided and served family-style. Meals are planned to satisfy the extra requirements needed for outdoor activity.

Contact us at 240-740-7400 or email DFNSOffice@mcpsmd.org.
**MCPS PROCUREMENT** provides vendor contracts for schools and offices to purchase high-quality goods and services as reasonable costs, in line with the school system’s mission, vision, and strategic goals.

**The MCPS Business Hub**

- The MCPS Business Hub is the financial system where schools and offices can go to order supplies and services. The link to the MCPS Business Hub is [www.montgomeryschoolsmd.org/departments/hub/](http://www.montgomeryschoolsmd.org/departments/hub/).

- Schools can create requisitions for the DMM Warehouse Shop, catalog/contracted bid items (contract summaries), and non-catalog requests.

- First, please complete the training. Go to the link above and click on the link at the bottom of the list on the gray sidebar to the left.

- Once the training is completed, a principal or director can request access through the User Management Security Access Portal (UMSAP), located under Access to the Hub in the gray sidebar to the left.

- When you gain access to the MCPS Business Hub, open the Business Hub dashboard and click on the Help Desk, then Help Library for tips, guides, screencasts, and the to the Point (TTP) Video playlist.

- MCPS has two “punchout” vendors on the MCPS Business Hub Procurement Page: Staples and Lakeshore Learning. These punchouts provide access to the vendor websites to enhance the shopping experience and offer special pricing for MCPS locations.

- The MCPS Purchasing Card (P-card) Program streamlines the process of buying items that are not on a bid list/contract summary and cost less than $250. Purchasing cards are connected to MCPS Business Hub accounts that are associated with a school or other location. For more information, please go to [www2.montgomeryschoolsmd.org/departments/procurement/purchasing-card](http://www2.montgomeryschoolsmd.org/departments/procurement/purchasing-card).

Visit our Procurement web page for information about supplier discounts, water cooler services, and how to search for supplies and services.

Contact us for more information at 240-740-7600.

Teachers are responsible for returning the kits on time.

Your school may purchase science kits for extension activities in elementary, middle, or high school, using the general science materials catalog.

Visit the website for instructions for ordering materials and preparing kits properly for return. Go to www.montgomeryschoolsmd.org/departments/materials/order-supplies/science-kits/.

MCPS NONDISCRIMINATION STATEMENT

Montgomery County Public Schools (MCPS) prohibits illegal discrimination based on race, ethnicity, color, ancestry, national origin, nationality, religion, immigration status, sex, gender, gender identity, gender expression, sexual orientation, family structure/parental status, marital status, age, ability (cognitive, social/emotional, and physical), poverty and socioeconomic status, language, or other legally or constitutionally protected attributes or affiliations. Discrimination undermines our community’s long-standing efforts to create, foster, and promote equity, inclusion, and acceptance for all. The Board prohibits the use of language and/or the display of images and symbols that promote hate and can be reasonably expected to cause substantial disruption to school or district operations or activities. For more information, please review Montgomery County Board of Education Policy ACA, Nondiscrimination, Equity, and Cultural Proficiency. This Policy affirms the Board’s belief that each and every student matters, and in particular, that educational outcomes should never be predictable by any individual’s actual or perceived personal characteristics. The Policy also recognizes that equity requires proactive steps to identify and redress implicit biases, practices that have an unjustified disparate impact, and structural and institutional barriers that impede equality of educational or employment opportunities. MCPS also provides equal access to the Boy/Girl Scouts and other designated youth groups.**
