Dear Supporting Services Employee:

On behalf of the Board of Education and the Montgomery County Public Schools staff and students, welcome to one of the most successful school districts in the United States. We are an international school district, with students from 163 different countries who speak 123 different languages. The global dimension is just one of many characteristics of this largest school district in Maryland and one of the fastest growing districts in the United States.

You are an important member of the team that seeks to provide a high-quality, world-class education to all of our students. Everyone benefits from the hard work of the school-based and central office staff members who are needed to support instruction. Education cannot happen, for example, if students are not transported to a safe, clean school; provided with nutritious meals; and given the materials and technological support needed to learn.

In the Montgomery County Public Schools, we believe the following:

- Every child can learn and succeed.
- The pursuit of excellence is fundamental and unending.
- An ethical school system requires fair treatment, honesty, openness, integrity, and respect.
- A high-quality school system strives to be responsive and accountable to the customer.

We want you to join with all of your fellow staff members in upholding these beliefs.

Thank you in advance for your contribution to our important work. I wish you many successful years of employment with the Montgomery County Public Schools.

Respectfully,

Joshua P. Starr, Ed.D.

Organizational Culture of Respect

The Board of Education, the superintendent and the executive staff, and the organizations representing employees recognize and value the role of all employees as contributors to a learning community which sets high standards of performance for staff and students. By working together through continuous improvement, effective communication, and meaningful involvement in the decision-making processes, we provide a high quality education to every student. We are committed to shared responsibility and a collaborative partnership integrated into an organizational culture of respect.
The commitment to foster an organizational culture of respect that is embedded throughout the school system is a priority of the employee organizations, the Board of Education, and the superintendent and executive staff. This culture is built on the belief that all employees, both school-based and nonschool-based, are essential to a successful learning environment. Inherent to this belief is the recognition that there is strength in diversity, which is inclusive of all groups and individuals. We are committed to:

- Trust in each other
- Use of collaborative and interest-based processes
- Recognizing the collective bargaining relationships as opportunities to enhance this culture
- Recognition of every employee’s contributions
- High expectations for all staff and students that are reasonable, clear, and transparent
- Open, honest contributions without fear of retribution
- Open and effective communication
- Respect for various points of view
- Civility in all of our interactions
- Team building and working together as teams

There is a commitment to fostering and sustaining a culture of respect through supports and structures. In order to be effective, these supports and structures should be embedded throughout the system, visible and accessible to everyone, and seen as fair and equitable. In order to make certain that this culture is promoted throughout the school system, time is needed for collaboration, training, and professional development and resources are needed to accomplish this.

**Examples of supports and structures include, but are not limited to:**

- Board of Education policies, such as the Creating A Positive Work Environment in A Self-renewing Organization and Human Relations policies.
- Professional growth systems, which include professional development, employee orientation, mentoring, training, recognition, support for new and under-performing employees, and professional development plans
- Collaborative processes, such as labor/management collaboration committees, Councils on Teaching and Learning, principal leadership groups, cross functional teams, advisory committees, and Study Circles
- Diversity training and development initiatives
- Continuous improvement processes, including the Baldrige-guided school improvement process
- Communication processes, including satisfaction and climate surveys, focus groups, budget forums, and various feedback reports
- Dispute resolution activities
In an organizational culture of respect, individuals are aware and understand the impact of their behavior and decisions on others. We expect that the actions and behaviors of all individuals and groups are consistent with and reflect this organizational culture. The actions listed below represent expected behaviors:

- Model civility in daily interactions
- Use collaborative and interest-based strategies rather than positional or adversarial approaches
- Be clear about the level of involvement in the decision making process
- Seek to solve the problem, not apply blame
- Utilize active listening skills
- Encourage creativity and risk-taking
- Seek and respect the opinion of others
- Respect the time and the time commitments of others
- Seek to resolve issues at the level where they occur
- Seek to understand before making judgments
- Acknowledge the professional judgment of individuals in their roles
- Be aware of non-verbal communication
- Use power and authority appropriately and positively
- Be an active and responsible member of the team
- Be responsible for accepting and giving feedback
- Provide and receive feedback constructively and respectfully
- Communicate openly and respectfully

In order to sustain an organizational culture of respect it is critical that all employees have an awareness, understanding, and tolerance of others’ interests, viewpoints, culture, and background. This culture promotes a positive work environment that ensures the success of each employee, high student achievement, and continuous improvement in a self-renewing organization.

Sexual Harassment

A Statement of the Policy of the
Board of Education of Montgomery County

For all employees and students of Montgomery County Public Schools

The Board of Education of Montgomery County adopted a policy in November 1992 that affirmed its opposition to sexual harassment and established specific guidelines to address sexual harassment among both employees and students of Montgomery County Public Schools (MCPS). The policy initiated actions by the school system to help employees and students recognize, understand, prevent, and take corrective action to address sexual harassment and other inappropriate behavior of a sexual nature in the workplace and in instructional settings.

The Policy in Summary

Based on Board of Education Policy ACF: Sexual Harassment

Inappropriate sexual conduct will not be tolerated and may constitute sexual harassment. MCPS does not condone or tolerate any form of sexual harassment involving employees or students. The school system is committed to the creation and maintenance of a learning and work environment in which all persons who participate in school programs and activities can do so in an atmosphere free from all forms of sexual harassment.

MCPS will take appropriate action to prevent and correct behavior that violates this policy. If necessary, the school system will also take disciplinary action against employees and students. Employees who violate the policy will be subject to such actions as oral or written reprimand, professional counseling, reassignment, demotion, suspension or termination. Disciplinary actions for students who violate the policy include a conference, suspension and/or expulsion depending on the circumstances and severity of the offense.

The policy applies to all sexual harassment incidents involving MCPS employees and addresses acts committed by a person of either sex against a person of the opposite or same sex. The policy recognizes that it is unlawful for employees to commit acts of sexual harassment. Sexual harassment committed by students of either sex against students or staff of the opposite or same sex constitutes inappropriate behavior and is subject to disciplinary action under the Board of Education discipline policies. The policy also recognizes that employees and students have a right to be free from sexual harassment by others such as contractors, vendors, and volunteers.

It is the responsibility of every supervisor and principal to recognize acts of sexual harassment and take necessary action to ensure that such instances are addressed swiftly, fairly, and effectively. The school system prohibits retaliation against an individual who reports an incident or cooperates with an investigation of a reported incident.

What Is Sexual Harassment?

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and/or other inappropriate verbal, written, or physical conduct of a sexual nature that takes place under any of the following circumstances:

- When submission to such conduct is made, explicitly or implicitly, a term or condition of employment, instruction, or participation in other school activities
- When submission to or rejection of such conduct by an individual is used by the offender as the basis for making personnel or academic decisions affecting the individual subjected to sexual harassment; and/or
- When such conduct has the effect of unreasonably interfering with the individual’s work and/or academic performance; or creating an intimidating, hostile, or offensive work or learning environment.

It is against MCPS policy and unlawful for MCPS employees to commit acts of sexual harassment. Sexual harassment committed by students against students or staff is inappropriate and violates MCPS policies.
Prohibited Conduct
Prohibited conduct may include, but is not limited to, unwelcome behavior of a sexual nature. For example:
- Grabbing, touching, or patting
- Sexual propositions
- Sexually offensive pictures, magazines, notes, calendars, cartoons, or jokes
- Unwanted flirtations or advances
- Verbal abuse
- Repeated pressure or requests for sexual activities
- Rewards for granting sexual favors or the withholding of rewards for refusing to grant sexual favors
- Graphic comments about an individual’s body or dress
- Sexually degrading names

Such conduct may also constitute sexual harassment. In determining whether prohibited conduct constitutes sexual harassment, consideration will be given to the totality of the circumstances, including the context in which the conduct occurred. Dating or sexual relationships between employees/adult volunteers and students is prohibited.

Expectations
The Board of Education expects employees and students to be committed to creating and maintaining an environment in which all persons participating in school programs and activities can do so in an atmosphere free from all forms of sexual harassment.

- MCPS policy on sexual harassment will be communicated to all employees and students.
- Education programs, to include all employees and students, will be implemented.
- Employees and students will be informed of procedures to follow for filing complaints of sexual harassment.
- Confidentiality will be maintained in all phases of the complaint process, in accordance with policy and consistent with MCPS obligation to investigate and address complaints.
- Retaliation against anyone who files a complaint or cooperates with an investigation about sexual harassment is prohibited.

Other Legal Protection
In addition to the Board of Education policy, there are several other federal and state measures that protect individuals from sexual harassment discrimination and provide specific prohibitions against acts of discrimination or other unlawful conduct.

Federal Law
Title VII of the Civil Rights Act of 1964, as amended in 1972 and 1991, prohibits discrimination on the basis of sex in all terms, conditions, or privileges of employment.

Title IX of the Education Amendments of 1972, as amended, prohibits discrimination on the basis of sex with respect to compensation, terms, conditions, or privileges of employment.

Maryland Law
Civil Code—Article 49B of the Annotated Code of Maryland prohibits discrimination on the basis of sex with respect to compensation, terms, conditions, or privileges of employment.

Criminal Code—Article 27, Section 464C, of the Annotated Code of Maryland prohibits coercive sexual contact against the will and without the consent of the other person.

Emergency/Crisis Plan Procedures

Key Points

Department of School Safety and Security

CODE RED
This is a term used to describe an emergency/crisis at an MCPS facility. Code Red alerts staff that imminent danger exists inside or outside the building and requires moving to an immediate lockdown mode. It requires that students are accounted for and under supervision. The on-site emergency team (OSET) is not activated during a Code Red.

Persons authorized to call a Code Red
School administrators or their designee will notify staff and students via the PA system when a Code Red is in effect. It is recommended that an age-appropriate announcement of a Code Red include a brief description of the nature and location of the incident. Directions should be given to immediately move to a lockdown mode. Administrators should consider delegating the responsibility of making the announcement and telephone call to 911 and OSP.

Code Red Staff Guidance
- When the administrator/designee announces a Code Red, scan the immediate area outside the classroom for any students and staff. Allow them in the classroom, and immediately lock the classroom door (lockdown).
- If there is no key available to lock the classroom door, make the room look unoccupied by closing the door, and turn off the lights, close/cover windows and blinds, and move away from the doors and windows. Remain silent.
- If staff and students are outside the classroom when a Code Red is called, move students to the nearest safe location.
- Staff must document attendance and report any discrepancies to an administrator/designee when it is safe to do so.
- Staff supervising students outside when an emergency situation occurs inside the building should be notified of the Code Red activation, preferably by two-way radio. Staff and students should move to a pre-determined safe location away from the building and maintain communication with the command post.
- Ignore the fire alarm system and class change bells.
- Wait for further instructions.

Firearms
- Avoid attempts to disarm/subdue an armed subject.
- Notify administrator/designee and school-based security of any firearm incidents immediately, and call 911 with details.
- Determine need to implement Code Red/Code Blue.
- Abandoned/discarded firearms should be covered by appropriate means and never left unattended.
- Never handle the firearm.

CODE BLUE
This is a term used to alert staff that an emergency/crisis exists at or near an MCPS facility. It requires students to be accounted for and under supervision. Administrators may activate the OSET and set up a command post when appropriate.

Persons authorized to call a Code Blue
Administrators or their designee will notify staff and students via the PA system when a Code Blue is in effect. It is recommended that an age-appropriate announcement of a Code Blue include a brief description of the nature and location of the incident.

Code Blue Staff Guidance
- When the administrator announces a Code Blue, students should be accounted for in an instructional area. Wait for further instructions. Classroom instruction may continue.
- Staff must document attendance and report any discrepancies to an administrator/designee when it is safe to do so.
- During a Code Blue, classroom lockdown is not required.
- The OSET may be activated by an administrator during a Code Blue via a PA announcement.
- Depending on the Code Blue situation (the nature of the emergency or potential threat), it may not be safe to change classes. In these situations, class bells should be turned off and students/staff should remain in their classrooms until directed otherwise by the administrator/designee.
- Depending on the Code Blue situation, staff supervising students outside may be requested to move students to a pre-determined location inside.
- Do not ignore the fire alarm system.

Shelter-in-Place is a term used to describe an enhanced level of Code Blue due to an emergency/crisis at or near the building. This could be the result of a suspected chemical, biological, or radiological incident; or a hazardous materials spill. When activating a Code Blue/Shelter-in-Place as a result of a suspected chemical, biological, or radiological incident, take the following steps immediately:
- Announce a Code Blue/Shelter-in-Place.
- Secure/lock exterior doors and windows.
- Initially, keep students in relocatable classrooms until advised by public safety or MCPS officials.
- Bring students into the main building from outdoor activities.
- Hold students in their current locations inside the building until the best course of action can be determined.
- Turn off electrical power to ensure immediate shutdown of HVAC.
- Ignore fire alarm system—only in this enhanced level of Code Blue.

Parent/Child Reunification
Schools have plans in place to reunite students with their parents/guardians in the event of an emergency/crisis at a school. This process will ensure the safe and orderly reuniting of students and parents/guardians. Schools will ensure they use a three-step approach.

Step 1. Identify parents using a source of identification.
Step 2. Identify student location in school and sign out student.
Step 3. Unite student and parent/guardian.
Bomb Threat Assessment
- Factors to consider:
  - Details/specs included in the threat
  - Number of prior threats to the school
  - Current events surrounding the school
  - Demeanor of the caller
- Based on an assessment of the situation and input from the Department of School Safety and Security and police, administrator will make a decision on evacuation. If these decisions do not agree, this disagreement will be resolved in favor of evacuation. (Refer to MCPS Regulation EKC-RA.)
- Evacuation is warranted if the threat level is high.
- Evacuation may not be warranted if the threat level is low.
- A Code Blue activation and use of sweep/scan teams is recommended when the building is not evacuated.

Bomb Threats Call Trace
- Use call trace procedures on the yellow Telephone Bomb Threat Checklist card. Follow instructions exactly.
- Allow at least one full ring before answering the phone.
- After hanging up the phone, press *57 on the same line the call came in on.
- Press *47 if you have 279 or 517 exchanges on your school phone number.
- Do not dial “9” before you dial *57 or *47.
- Report the bomb threat to 911 and OSP.
- Inform the 911 operator of call trace activation.

Bomb Evacuations
- Administrator/designee will announce the evacuation. If possible, do not use the fire evacuation system.
- Evacuate students/staff to the 300-foot staging area in a quiet and orderly manner.
- Staff must document attendance and report any discrepancies to an administrator/designee when it is safe to do so.
- Wait for further instructions from administrative or public safety personnel.

Bomb Threat Sweep/Scan
- In certain circumstances, staff volunteers may be asked to sweep/scan the facility or grounds for any suspicious items.
- A sweep/scan should be conducted in teams and only by visual means (eyes and ears only).
- If a suspicious item is discovered during a sweep/scan, evacuate to a 300-foot safe zone and notify an administrator immediately.
- If a suspicious item is located, do not use a radio or cell phone in the immediate area within 25 feet in all directions.
- No suspicious item should be handled in any manner by school staff (do not touch it!).

Fire Evacuations
- Instruct students and staff to move at least 50 ft. from the building.
- Follow the school’s fire evacuation plan.

Hazardous Material Spills
These guidelines should be followed in the event of a chemical incident in which there is potential for a significant release of hazardous materials. Spill response procedures will vary depending on whether the spill is small (less than 18 inches in diameter), medium (exceeds 18 inches, but is less than 6 feet), or large (exceeds 6 feet in diameter, and any “running” spill that has not been stopped).

General Spill Control Techniques: Once a spill has occurred, the staff at the spill site must decide whether the spill is small enough to handle without outside assistance. Guidance should be obtained from science resource teachers or staff with a chemistry background; i.e., in science labs, chemistry labs, automotive shop areas. Only staff who are properly trained under OSHA Regulation 1910.120 should attempt to contain or clean up a small spill.

Small Spill Evacuation: Evacuate the immediate area and surrounding areas whenever the air is or could become untenable; i.e., experiencing difficulty breathing, watery eyes, upper respiratory congestion or tightness in chest, coughing, runny nose, etc.). Also, evacuate the immediate area or building if material is emitting vapors or fumes.

If a medium or large hazardous chemical/material spill occurs inside your school building—
- An administrator/designee should call 911 and OSP immediately with detailed information (obtain the chemical MSDS, if available at time of spill incident).
- Evacuate the building immediately.
- Notify building security and building service staff.
- Secure the area around the spill area.
- Turn off class-change bells, if appropriate.
- Follow instructions from fire and rescue service personnel.
- Activate Code Blue, if appropriate.

If a medium or large hazardous chemical/material spill occurs immediately outside your school building—
- An administrator/designee should call 911 and OSP immediately with detailed information.
- Shut windows and doors and turn off ventilation systems.
- Notify building security and building services staff.
- Turn off class-change bells, if appropriate.
- Follow instructions from fire and rescue service personnel.
- Activate Code Blue, if appropriate.

Contacting 911 and OSP in an Emergency
- Immediately notify administrator/designee of any 911 emergency calls.
- School staff must dial 9-911 (Centrex phone lines) to report an emergency/crisis situation.
- If calling from a cell phone or learning cottage cell phone, dial 911 to report an emergency/crisis.
- Daycare centers (joint-occupancy users) that have their own phone lines (non-MCPS number) must dial 911 to report an emergency/crisis.
- Remain calm and give the following information to the public safety operator:

Basic Leave Entitlement
FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to a serious health condition of the employee;
- To care for the employee’s child (whether born alive or not, or a child for whom the employee is a legal guardian) if the child is under 18 or if the child is not claimed as a dependent on the employee’s tax return and has a serious health condition;
- To care for an employee’s parent if the parent has a serious health condition.

Military Family Leave Entitlements
Eligible employees with a spouse, son, daughter, or parent on active duty may be entitled to up to 26 weeks of leave for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

Benefits and Protections
During FMLA leave, the employer must maintain the employee’s health coverage under any “group health plan” on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee’s leave.

Eligibility Requirements
Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition
A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave
An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer’s operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave
Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer’s normal call-in procedures.

Employee Responsibilities
Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer’s normal call-in procedures.

Employer Responsibilities
Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees’ rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Unlawful Acts by Employers
FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement
An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersed any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

## GENERAL INFORMATION

1. A 10-month teacher’s annual salary, divided by 213 results in the current gross daily rate of pay. For permanent teachers, the hourly rate of pay is computed by dividing the gross daily rate of 8 hours per day. The hourly rate is then multiplied by number of hours scheduled biweekly to determine the biweekly gross pay before adjustments. Except for the first and last check, each paycheck will equal 10 times the gross daily rate of pay.

2. All staff including temporary part time, short-term, and long-term substitutes’ paychecks will be available for viewing via ePaystub on the Tuesday prior to payday.

3. For those 9-month employees who receive a paper paycheck, the check will be mailed home for paydays June 3 and June 17, 2011. Viewing of ePaystub will be available on the Tuesday prior to payday.

4. Paper paychecks for 10- and 11-month employees who do not use direct deposit will be mailed home for paydays June 17 and July 1, 2011. Viewing of ePaystub will be available on the Tuesday prior to payday.

5. Please address inquiries to the Employee and Retiree Service Center at 301-517-8100.

Where is your pay stub? Find it online.

Employees who participate in direct deposit will find their pay stub online.

ePaystub
All employees with an Outlook user ID, password, and employee ID can access and view their pay stubs from the convenience of any computer with Internet access.

You can
- View your pay stub prior to payday—typically 3 days earlier.
- Review leave balances.
- See reported hours for workshops, training, extracurricular activities, and overtime.
- Verify time reported and paid by day and assignment.
- Review information from three years prior to the current pay date.
- Print your ePaystub at any time.
- Access and view your pay stub from the convenience of any MCPS or home computer (with the proper Internet browser and Adobe software—from www.adobe.com).

If you do not have a home computer or a regularly assigned PC—you should ask your supervisor and/or director to help you locate an available PC. Additionally, several computers are available for employees in the lobby of the Employee and Retiree Service Center (ERSC) from 7:30 a.m. to 5:00 p.m., Monday through Friday.

Your ePaystub information has been secured at three levels.
1. Data are maintained on a secure server and all ePaystub data transmissions are encrypted.
2. Access to your ePaystub requires your unique Outlook User ID and a secure password.
3. Before the electronic pay stub document can be opened, you will be asked to enter the electronic pay stub document password (your employee ID number).

What do I need to do to access ePaystub?
- Know your Outlook ID, password, and employee ID.
- Take the tutorial and review the Frequently Asked Questions document located on the ePaystub welcome page.
- Have a current version of Adobe Acrobat Reader installed on your home or work computer to access ePaystub.
- Enjoy unlimited access to your payroll information!

All data transmissions between your computer and the MCPS server are encrypted and secure.

Where do you begin?
ePaystub links are available under the main staff tab of the MCPS website (under Most Requested) or from the Employee and Retiree Service Centre (ERSC) website. A tutorial and frequently asked questions also are available on the ERSC website.

Need Help?
Employees having trouble accessing ePaystub or needing to retain or recover their user ID or password should contact the Help Desk at 301-517-5800. Employees with additional questions about ePaystub may contact ERSC at 301-517-8100 or via e-mail at ERSC@mcpsmd.org

Understanding Your Pay Information

Each payday, all employees receive one of the following:
- Pay statement for those who receive paper paychecks
- Access to ePaystub is available on the Montgomery County Public Schools (MCPS) website for those employees who participate in direct deposit.

MCPS no longer produces paper pay advices for those employees who participate in direct deposit. ePaystub contains important information about your compensation, tax withholdings, and contributions for the many benefits provided to you as an eligible employee. In the explanation that follows, the pay statement will refer to both the pay statement and ePaystub advice, unless a difference is specifically noted.

This document is intended to help you understand the data contained on your pay statement and make personal financial decisions. The address listed on the pay statement is used for your W-2 (tax reporting) at calendar year end, as well as for important mailings from MCPS. It is important to provide updated address and other changes in personal information to the Employee and Retiree Service Center (ERSC) as soon as possible after changes are made.

Direct deposit is mandatory for all employees hired on or after February 1, 2001. All temporary part-time (TPT) and substitute teachers must participate in direct deposit, regardless of their hire date.

Direct deposit ensures that your pay will be in your bank or credit union account on the morning of the pay date.

Please read this information carefully and then review your pay statement/ePaystub. Here are the important items to check:

Are you having the proper amount of federal and state income taxes withheld?
Depending on your personal financial circumstances, you may want to have less or more taxes withheld. To change the amount withheld, please complete a W-4-MW-507 (W-4) form (available on the MCPS website) and remit to ERSC, 7361 Calhoun Place, Suite 190.

Are you having state tax withheld for the proper jurisdiction?
MCPS withholds tax for Maryland, Virginia, the District of Columbia, West Virginia, and Pennsylvania residents. If you have recently relocated, please confirm that taxes are being withheld and remitted to the proper authority.

Are the deductions for your share of benefits being deducted as you expect?
Your benefits are an important part of your compensation as an MCPS employee. In most cases, you may change your selections annually during Open Enrollment. The pay statement details your employee contributions for each benefit plan in which you are enrolled. Plans include medical, prescription drug, dental, vision, life insurance, dependent life insurance, pension, long-term care insurance programs, and retirement savings accounts.

In each sample, the circled numbers correspond to explanations that appear on the preceding pages.

Supplemental Explanations and a Glossary of Terms, on pages 3 and 7, provide additional information or definitions for pay statement items.

ePaystub is only available online and can be printed from any MCPS or personal computer.

Have we answered all your questions? If you have questions about the MCPS Earnings and Deductions Statement, please call ERSC at 301-517-8100, or send an e-mail to ERSC@mcpsmd.org.

Explanation of MCPS Earnings and Deductions Statement for ePaystub

1. Employee Identification Number:
A unique employee ID number is used by the system to connect all of the information related to each employee. Employees should learn their ID, as it is used on forms. Your employee ID is also used by ERSC to identify employees, and is the password required to access individual ePaystubs online.

2. Employee Name:
An employee’s legal name must be used on his/her pay statement. This is the name reported to federal and state agencies, as well as insurance plans.

3. Distribution Location:
The employee’s pay check distribution location number.

4. Sick Leave Bank Membership:
If you are a member of a sick leave bank, the association name of that sick leave bank is included in this space. The word “Excluded” means you are a member of the excluded sick leave bank. If you are not a member, “Non-member” will be displayed.

5. Payment [check] No.:
System-generated payment number for checks and direct deposit statements.

6. Federal, State, and County Tax Withholding Information: Income tax withholding information that is based on an employee’s W-4 (Withholding Allowance Certificate).
The number of allowances (dependents) declared is displayed. Supplemental withholding of taxes will show in the Additional Federal Tax and Additional State Tax boxes. This amount is part of the Federal and State Tax and is included in the Taxes and Other Deductions section of your statement.

7. 1990 Advance Owed to MCPS Upon Termination/Retirement:
If you are in this group of employees, a dollar amount will be displayed in this location. The amount shown in this section will be deducted from your final paycheck upon termination or retirement from MCPS.

8. Description:
The types of earnings include, but are not limited to, hours worked (regular), absences, overtime, adjustments, and noncash income, such as excess life insurance. IRS regulations require that the value of employer-paid life insurance above $50,000 be added to taxable income. This amount listed on the Exs Life line is added to your taxable income.
Note: Overtime (Prem OT), Extracurricular Activities (ECA), and Summer Employment (SSE) are displayed in this box. Prem OT refers to those hours paid at a higher rate than regular pay for those employees eligible for overtime pay.

9. Hours:
The hours to be paid as reported by the timekeeper. If you believe there is an error in the number of hours, please consult your timekeeper. If you have multiple positions, you can visit ePaystub and view the time reported for multiple assignments and positions. If the hours on your time sheet do not match the hours on your pay statement, or if the hours on your time sheet match the hours on your pay statement but the information is not correct, please have your timekeeper complete and forward the PACS correction form (MCPS Form 280-7) to ERSC.

10. Rate:
Rate for hourly paid employees (SEIU Local 500). For salaried employees (MCEA, MCBOA, and MCAAP), the section will be blank.

11. Amount:
The amount of pay for each specific type of earning in the current pay period.

12. Calendar Year-to-Date [CYTD]:
This column lists total earnings for the calendar year.

13. Federal Taxable:
Current and calendar year-to-date federal taxable income totals. The calendar year-to-date [CYTD] federal taxable total is the amount that will be reported to the IRS on your W-2 at the end of the year. Federal taxable total is the amount on which your federal withholding tax is based. It is your total earnings minus your pretax deductions.

14. State/County Taxes:
See page 3 for a detailed explanation.

15. Pension/Retirement Contributions:
Generally, all employees are members of a core base retirement plan and a supplemental pension plan. The contributions you make are shown separately for each plan. See page 3 for further explanation of the codes.

16. Health Carriers:
All your medical, vision, dental, and prescription carriers are listed individually in this column with your costs associated with each plan. These pretax deductions are based on your plan enrollment as of the pay period end date. The pretax deductions reduce your income for federal, state, Social Security, and Medicare taxes.

17. Association Dues:
Deduction for association (SEIU Local 500, MCBOA, MCAAP, or MCEA) dues or fees are displayed here.

18. Pretax Accounts:
Any amount you set aside in a Flexible Spending Account (FSA) or into a 403(b) or 457(b) plan. Each of your plans is listed on a separate line. The pretax deductions reduce your income for federal and state income tax.

19. Wage Garnishment:
A legal procedure whereby a percentage of “disposable earnings” — the amount of earnings left after legally required deductions (e.g., federal, state, and local taxes; Social Security; unemployment insurance; and state employee retirement systems)— are withheld by an employer by court order for payment of debts such as child support or alimony.

20. Life Insurance:
If you are enrolled in life insurance, your premium deduction is listed here. While most of your employee benefit contributions are made on a pretax basis, federal law does not permit life insurance to be deducted on a pretax basis.
21. Gross Pay: These figures represent the gross to net reconciliation of the current payment. This is the gross pay you earn minus pretax deductions, taxes, and other deductions to arrive at the net amount of your check or direct deposit.

22a. Available Leave: These figures represent available leave hours for use by you during the year. See box below for a detailed description.

22b. Earned Leave: These figures represent hours you have earned as of the pay period shown. See box below for a detailed description.

23. Message: Important messages to all employees will be posted here.

24. Banking/Credit Union Deposit: This is the amount deposited directly into your account. Deposits to any bank or credit union are listed here.

Glossary of Terms

Exs Life (Excess Life Insurance): This item applies only to employees who are enrolled in the life insurance program and whose salary is above $25,000. IRS regulations require that the value of employer-paid life insurance above $50,000 be added to taxable income. The amount of this additional noncash income (listed on the Excess Life line) is added to your taxable income.

Pretax deductions: A pretax deduction is a deduction that reduces the amount of earnings subject to income, Social Security, and Medicare taxes. Flexible spending accounts, retirement savings accounts, certain pension contributions, and health care (medical, dental, vision, and prescription premiums) are considered pretax deductions. While deductions reduce the amount of income subject to these taxes, they also may reduce future benefits, such as Social Security, that are calculated based on income. This does not affect your MCPS or state pension benefits.

Resources

Consult Your Timekeeper: Employees should check ePaystub and review reported hours relating to the type of pay or hours reported on their time sheet. If you have a question, please check with the timekeeper at your work site. You can view the reported attendance from each work location online.

Note: Timekeepers are not expected to respond to questions about deductions, calculations, or other pay issues. Questions can be directed to ERSC at 301-517-8100 or via e-mail at ERSC@mcpsmd.org.

Other Important Personal Financial Reminders:
You should review your personal deductions on a regular basis to be sure the choices you made reflect your current needs with respect to—
- federal tax withholding,
- state and county tax withholdings,
- contributions to 403(b) and 457(b) plans.
To all 9- and 10-month employees, unless you have notified us that you will not be returning in the fall, we anticipate that you will return to your permanent position(s) for the 2009-2010 school year. Have a nice summer.

PROCEDURES FOR TUITION REIMBURSEMENT

1. REIMBURSEMENT CRITERIA:
   a. Eligible unit members are defined as SEIU unit members on permanent status by the time the class ends. Unit members on long-term leave are not eligible for tuition reimbursement.
   b. A maximum of nine (9) credits will be reimbursed per fiscal year (July 1 through June 30). Any courses ending after July 1 and before June 30 count toward the new fiscal year’s tuition reimbursement allotment. The nine (9) credits may be taken together in one semester or in any semester within the fiscal year.
   c. Reimbursement will not exceed one-half the current cost of in-state tuition for the University of Maryland at College Park. Reimbursement will be based on graduate or undergraduate tuition rates, depending upon the level of the course or program being reimbursed.
   d. The 9-credit-hour limitation may be waived for a specific year or years under the following conditions:
      i. Completion of the requirements of an approved program requires enrollment in more than nine (9) credits during one or more years of the program, or Montgomery County Public Schools (MCPS) approves enrollment in more than nine (9) credits in order to meet a specific school system need.
      ii. No reimbursement for additional credits outside the approved program will be approved until the total reimbursement from the first year of excess credits is less than the average of nine (9) credits per year.
      iii. If the employee retires or resigns prior to the time the average reduces to nine (9) credits per year, the employee will be required to repay MCPS for any excess reimbursement beyond the average of nine (9) credits per year from the first year of excess reimbursement.
      iv. In no event may the employee be reimbursed for more than 45 credits in the five-year period, beginning with the first year of excess reimbursement.
   e. Non-college training will be reimbursed by converting clock hours to credits, 15 clock hours equals one (1) credit. Prior approval for these classes is available and encouraged, if there is a question about whether the class is reimbursable or not.
   f. Employees will not be reimbursed for outside courses or training if such courses are also offered by MCPS and are available in the same semester to the employees in that unit. Exceptions will be made for credits that are needed as part of a degree, certificate, or professional development program in which the employee is enrolled if the MCPS course would not be counted and the credits would otherwise be reimbursable. Exceptions may also be made if MCPS courses are full and unavailable.
   g. Requests for tuition reimbursement must be submitted to the Office of Human Resources and Development (OHRD) within 60 days of course completion.
   h. Reimbursement will not be made for books or materials, but will cover course fees.
   i. Reimbursement shall be for courses that will either improve skills used at your present job or prepare you for another job within MCPS.
   j. Tuition reimbursement should be requested at the end of the course and upon receipt of the course grades and confirmation of tuition paid. Reimbursement would be charged to the program in which the person was working at the beginning of the course. For purposes of fiscal year limits on reimbursement, a course is counted in the fiscal year in which the coursework is completed.
   k. Courses receiving a “Pass” taken on a “Pass/Fail” basis will now receive tuition reimbursement.
   l. Reimbursement to 10-month employees for classes/courses taken during the summer is made in the fall, contingent upon return to permanent-status employment in MCPS.
2. SUBMISSION PROCEDURES:
   b. Click on the Tuition Reimbursement tab.
   c. Click on the New Request button.
   d. Select Support staff using the pull down menu.
   e. Complete the form with your course information (complete a new form for each course).
   f. Submit the form by selecting the Save and Submit button.
   g. Print the form and Pony to OHRD with the receipt of payment, university/college account summary, and documentation of your grade.
   NOTE: No requests will be processed without proof of payment, university/college account summary, and documentation of grade.
   h. You can monitor your request status from the Tuition Reimbursement tab in PDO.
   i. All documentation for payment must be submitted to the OHRD within 60 days of course completion. In the event there is a problem receiving the grade, the unit member must contact OHRD promptly.
   j. Documentation for payment includes:
      i. Photocopy of official grade slip or transcript. A print-out from the school website showing your name, course, and grade is also acceptable.
      ii. Proof of payment showing the full amount of tuition paid. All of the following must be submitted:
         - A printout from your online university or college account showing your name and payments, or a stamped and/or signed official university receipt.
         - University/college account summary showing breakdown of fees and tuition.
         - Credit card statement showing your name.

3. PROCESSING REQUESTS:
   a. Tuition reimbursement requests will be date stamped by OHRD on the day of receipt.
   b. A record of requests will be maintained by OHRD to assure unit members meet the eligibility and time requirements as set forth above.
   c. OHRD shall complete the approval process and update the request status in PDO.
   d. OHRD shall generate a pay memo and submit it to the MCPS Controller for processing.

4. QUESTIONS:
   a. Questions regarding tuition reimbursement should be directed to a Support Services Tuition Reimbursement Specialist at 301-315-7390.

ACCELERATED TUITION REIMBURSEMENT PROGRAMS

Accelerated Reimbursement (AR) programs are undergraduate/graduate programs that require completion of more than nine (9) credits per fiscal year (July 1—June 30). The credits used for the accelerated tuition reimbursement will count toward your future reimbursement. Reimbursements shall not exceed 45 credits in five years. After the completion of the program, you will not be eligible for any additional reimbursement until you make up the number of credits that you were reimbursed in of nine (9) credits per fiscal year. For example, if you are reimbursed for 18 credits in excess of the 9 credits per fiscal year that is normally allowed, you will not be eligible for tuition reimbursement for the next two years after completing the program.

The Accelerated Tuition Reimbursement Program Verification Form is interactive document and can be found on the MCPS website. Please type the requested applicant information in the boxes before printing the form. Completed forms must be accompanied by a copy of your Program of Studies to be considered for approval. For questions, please contact Ms. Janice Mitchell, Office of Human Resources and Development, at 301-315-7390.
