

PROCUREMENT “DID YOU KNOW?”

Here you will find valuable information on new and/ or improved processes and programs that will directly affect how you do business with MCPS!

Did you know that...

■■■ you can now search within the Awarded Contracts database?

As of November 2015, the Procurement Awarded Contracts database has an integrated search function which makes it possible to locate a contract by the Bid/ RFP number or keywords found in the contract's title or description. View currently [awarded contracts](#).

■■■ MCPS requires contractors, working at school locations, to have current background checks and undergo fingerprinting?

Under a recently enacted Maryland law, any contractor or member of the contractor's work force who will be working in a Montgomery County Public Schools (MCPS) facility where they have direct, unsupervised, and uncontrolled access to students must undergo a criminal background check, including fingerprinting.

[More details](#) available.
