

Hello Ashburton Families!

Welcome to the 2019-2020 School year.

We are very excited about the upcoming school year and sharing all of the wonderful activities we have planned with for our students, teachers, staff and families.

Ashburton is a diverse and vibrant community for which we are all very proud. We have families from all over the world represented within our school and we are grateful that Ashburton families share their talents and contribute greatly to the education of our children. The PTA regularly hosts events to bring our community together, events that are enjoyed by children and adults alike.

For any PTA relevant information during the year, please visit our website at [www.ashburtonPTA.com](http://www.ashburtonPTA.com), where you can also ***join the PTA and sign up for the PTA listserv!*** Joining the PTA allows us to bring amazing events to our community such as after school activities and clubs, bringing artists, authors and musical groups into the school for special assemblies, defraying the costs of field trips for our students and **so much more!** Joining the PTA will also give you annual access to our school directory where you will find contact information for other students and their families.

We **LOVE** our volunteers at Ashburton and we encourage you to be as involved as you possibly can in your children's educational environment whether that is in the classroom, or outside of the classroom at school and PTA sponsored events. Your PTA board is comprised of a group of working parents who completely understand the daily time constraints of both family and work life. Whenever you volunteer please know that your time is honored, and appreciated.

If you have any questions please feel free to contact any member of the PTA Board.

We look forward to meeting our new families and reuniting with our returning families.

Raylene Grant

Ashburton PTA President, on behalf of the 2019-2020 PTA Board
