Expectations for Student Participation

✖ Participate fully and be engaged in the lessons

   ✗ Face the camera

   ✗ Sit up

   ✗ Have supplies ready

Zoom Tools
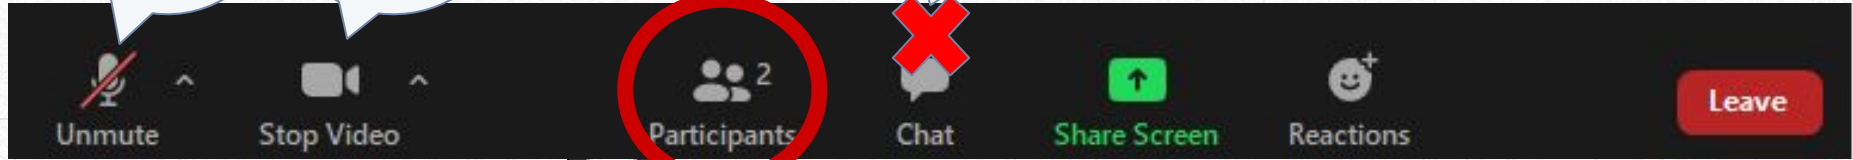

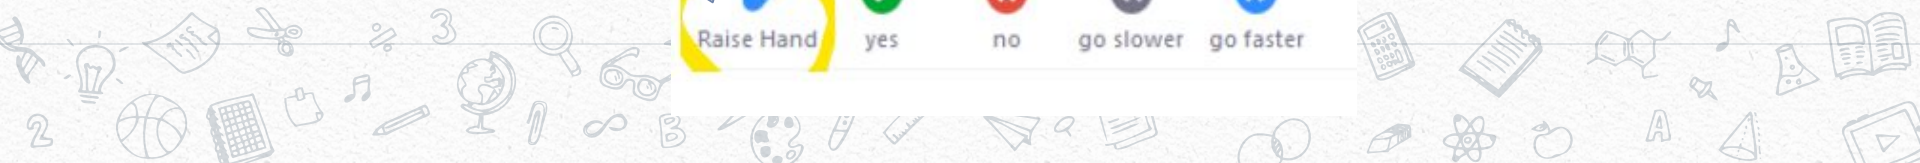

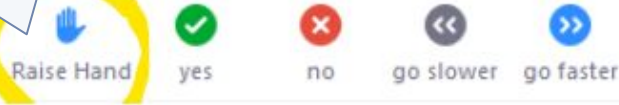

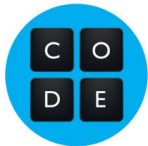

Technology

	Using Zoom to meet with teachers
	For announcements, class information, resources, assignments
*	For independent learning time between 10am-12pm
	May be used for independent reading and during live reading lessons with the teacher.
	Code.org will be used for coding lessons both with the teacher and independently.

Kindergarten will start Dreambox during Week 2

Logging into MCPS-Licensed Zoom Accounts

To access and configure your MCPS-licensed Zoom* account:

1. Visit https://mcpsmd.zoom.us.
2. Click **Login**.
3. Enter your **MCPS Google email address (@mcpsmd.net)** and password to continue.

*Note: If you visit the Zoom website (https://zoom.us) and choose to login with Google, you ARE NOT signing in to your MCPS-licensed account and will be associated with the free or "Basic" version of Zoom. Please use the previous steps provided to access Zoom for MCPS.

Helpful Resources

Zoom

- Comprehensive Zoom Guide
- Matching Zoom Meeting Purpose to Appropriate Settings
- Getting Started and Troubleshooting with Zoom Entrada a zoom
- Zoom for Students English (español)

myMCPS

Supporting Parents with Accessing Student Courses
myMCPS Classroom is new for many parents who are now working with students to navigate distance learning. The resources provided assist parents and students with getting and navigating the content in myMCPS Classroom.

- myMCPS Classroom MCPS website
- myMCPS Classroom Student Guide
- Elementary Passport to Canvas Course (Tour for Parents/Students) (español)

Using Content in myMCPS Classroom (Commons/Direct Share/Copy To)

It is easy to share content between your courses and with your colleagues in MCPS. There are three sharing options in myMCPS Classroom:

- **Importing Content from Commons**
- **Direct Share: Copy to … course to course**
- **Direct Share: Send to…teacher to teacher**

Mobile Hotspot

Getting started with a mobile hotspot:
English / español / tiếng Việt / አማርኛ / français / 中文

Meals

Technology Troubleshooting

Curated supports with videos from by School Library Media Programs' staff from recent Quick Guides, Emails, FAQs, Community communications, etc. that all pertain to instructional technology implementation. This is a "living" document and will be continually updated.

Changing Browser Profile Video

Dreambox

✘ Students are expected to use Dreambox daily during their independent time (10am-12pm)

✘ Students should complete at least 5 lessons per week

✘ Do your best to let the student do the work themselves

Encourage These Healthy Student Habits for Success in DreamBox

1. **Try every problem:** persist even when it is hard. ✔

2. **Finish every lesson:** persevere instead of choosing another lesson. ✔

3. **Utilize in-lesson support:** the feedback, hints, and help are created to assist you. ✔

4. **Use headphones with volume on:** listen to the directions, assistance, and feedback. ✔

5. **Work Independently:** don't let others do your work for you. ✔

Dreambox

Yellow lessons

- New lessons
- Students have not mastered

Green lessons

- Review Lessons
- Can be played multiple times

Orange lessons

- Proficient content with different manipulative

Access through Clever
