Federal, state (COMAR 13A.05.07.02–.03), and local regulations require school districts to determine the language(s) used by students in their homes. Please answer each question below. This Home Language Survey will be used only for determining whether a student needs English language support services and will not be used for immigration matters or reported to immigration authorities.

If a language other than English is indicated on two or more of the three questions below, the student will be assessed for English language support services. Additional criteria for testing may be considered.
