# Parent Resources

- Link to Portal: portal.mcpsmd.org
- Support Website
- Parent Guide

- Download the myMCPS mobile app
  - iTunes Store
  - Google Play Store
  - Mobile Web App

***You will get a separate email with a password to access the app. Once you can get into your profile, you can change the password (parents often use the same password as the one for the Portal.)***

# Creating an Account

***If you already have an account because you have secondary students, you just will need to add your Cedar Grove student to your original account. MCPS parents, please use a personal email not your MCPS email account.***

- Account creation requires an email address*
- Parents/Guardians have received a letter to the student's primary address containing the **Access ID** and **Access Password** needed to connect their account to their student
- If the letter was not received, please contact the school office
- This screencast shows parents/guardians how to create an account

**email addresses are available for free from Google, Yahoo, etc*
