Second Grade Shorts

A Look Ahead...

January 2017

This month...

Reading

This month we will be reading informational text. We will ask and answer questions to find key ideas. We will also identify the author's purpose for writing the text. At the end of the month, we will start to read poetry and explore how rhythm and repetition add meaning.

Writing

We will write an opinion piece to recommend a book to 2nd graders. We will give a book summary and explain why our book must be read!

Math

We will measure in centimeters, meters, inches and feet. We will use different tools to measure and solve word problems involving measurement.

Science

We will describe observable properties of the moon and sun. We will also explore how living things survive in different habitats.

Social Studies

We will explore how technology affects our daily lives. We will also explain natural, human, and capital resources.

Reminders:

- Please remember to dress your child warmly because they will be going out for recess if weather permits.
- Continue to send in Box Tops to support CMES.

Important Dates:

- February 7—PTA Board Meeting in the Media Center
- February 16—Reading Night from 6:30 to 8:00 pm
- February 20—No School—Holiday
