# Second Grade Shorts

**A Look Back...**

**A Look Ahead...**

September 2016

## This month...

### Reading

In reading, we will be reading literature. We will identify the story elements (characters, setting, problem and solution). We will also ask and answer questions to comprehend the text. We will use the question words: who, what, when, where, why and how.

### Writing

In writing, we will be writing a personal narrative. We will describe in detail a “small moment.”

### Math

In math, we are going to learn about place value. We will be identify the hundreds, tens and ones in a number. We will also expand the number to determine the value of each place. Finally, we will learn how to skip count forward and backwards by tens and hundreds.

### Science

In science, we are going to study rocks and soil. We will identify and describe their properties and then compare different samples.

### Social Studies.

In social studies, we will learn about rules and laws. We will also discuss collaboration and analyze ways in which people interact.

### Reminders:

- Please complete:
- The Student Emergency Forms
- Student Privacy Form
- Free and Reduced Meal Application
- Chromebook Agreement

### Important Dates:

- September 6: PTA meeting
- September 8: Back to School Night!
- September 12: No school
- September 30: Early dismissal at 1:20
