What's Happening in...

5th Grade is participating in RESET. This is a program run by volunteers who are professional scientists, mathematicians and engineers. This program is aimed at raising student interest in math and science.

Homework reminders

- Read at least 20 minutes each night.
- Practice multiplication and division facts.

Dates to Remember

- 5th Grade Panoramic Picture - 4/26
- Reading PARCC - 5/1 - 5/3 and 5/8
- Math PARCC - 5/16 - 5/19

Please make sure students arrive to school on time. PARCC begins first thing in the morning each day.
