

# 5<sup>th</sup> Grade Champs

August

## Fall is for Learning

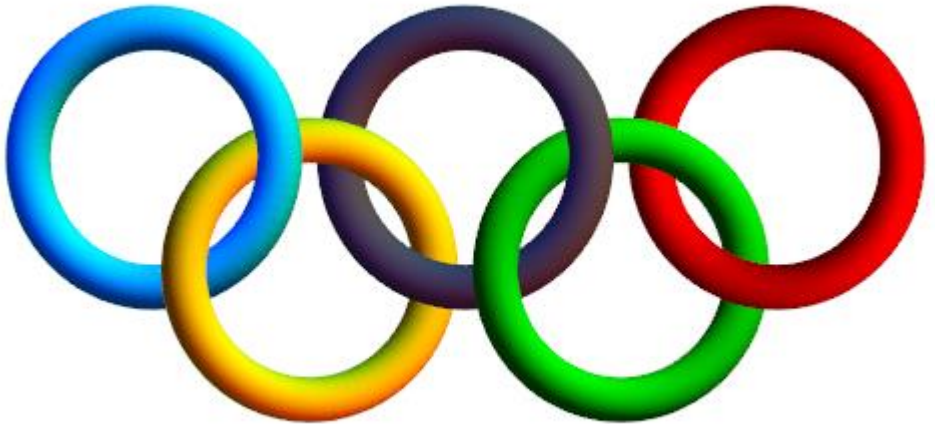

We understand the students are to be back, and we share in the excitement. Remind your child that 5<sup>th</sup> grade is filled with high expectations for learning and behavior. To meet some of the expectations, please make sure that your child is ready and on time.

\*\*\*Please review the ABC's of Classroom Behavior with your child. Gently remind them of the rules at all times.

Students enter school at 9:10 and instruction starts at 9:25. Dismissal begins at 3:45.

Students will continue to have homework. It consists of writing, reading at least 20 minutes per night, and practicing multiplication and division facts. Remember you can always go to the CMES website and click on resources for additional tasks. Prodigy and ScootPad are accessible from home also.

\*\*\*Please note that students will need headphones for class.

Science – Force and Motion

STEM- Designing an amusement park ride.
