March 23, 2012 will be an exciting night! It's College Gardens Cultural Heritage Night!

We all have ethnic heritage, so come celebrate yours and enjoy the flavors of other cultures. What other event brings out more than 600 people!

Show your pride by:

EUROPE

- Wearing your traditional clothing;
- Exhibiting souvenirs or a poster of your state or country
- Bring bite-size food samples or other favorite dish or dessert to share (How many? We expect more than 600 visitors, but you should provide only as much food as you wish/are able to bring)
- Encouraging your child to participate in the program (How? By reciting a poem, playing an instrument from your region/state/country, performing a dance, etc.)

Who can do this?

Single or multiple families can represent their regions/states/countries individually or as a team.

Do you need to provide plastic ware, plates, bowls, cups or napkins?

Yes. You bring what you need. If you need the PTA to provide, please let us know.
