OUR WEEK OF learning...

We have spent the week learning about our classroom. We have been learning our daily routines and even are "super cleaners" when it is time to clean up the toys. We read the book Waiting is Hard and are practicing waiting our turn. We have also been working on comparing two objects to tell if they are "exactly the same" or "same but different". We have enjoyed decorating our classroom with the art projects that we have made during the week.

Next Week's Learning

Reading: Identifying
Characters

Math: Sorting Objects

Social Studies: Why are
rules important? Science:

All about Me

At Home Activities

Daily activities to do
with your child
