A Note From Ms. Carneiro

This month we transition to Unit 4 of our ELA Curriculum: Communities and Fall.

We will start "Reading Home" parents and child. Please use the strategy and directions that we discussed on our Parents Conference.

Please practice zipping coats at home with your child.

A Peek At What We Are Learning

Reading

We are working on identifying the problem in a story and making inferences, We will also review letter sounds: m, a, f, t, s, i, n, o.

Writing

We will discuss weather changes during the seasons. Create a flowchart to describe how the characters solved their problem add details and dictate a sentence about drawing.

Math

We will practice counting 0-10 objects in a variety of configurations and learning shapes.

Science

We will mix paint to create secondary colors and we will discuss changes in weather.

Social Studies

We will identify roles and responsibilities of community workers and we also started with our class jobs!

Our "Take Home Library" starts this month! Please check your child's backpack for a book and the December reading log.
