Report Cards

- The first 20 days in kindergarten are Review and Routines.
- This means you won't see many grades on our interim reports or the first report card.
- We will talk more about this at our parent conferences in November. 😊

Keep your child home when....

- ✓ they have vomited the night before.
- ✓ they have diarrhea.
- ✓ they have a fever (may return after 24 hours of fever free).
- ✓ they have a "croupy" cough.

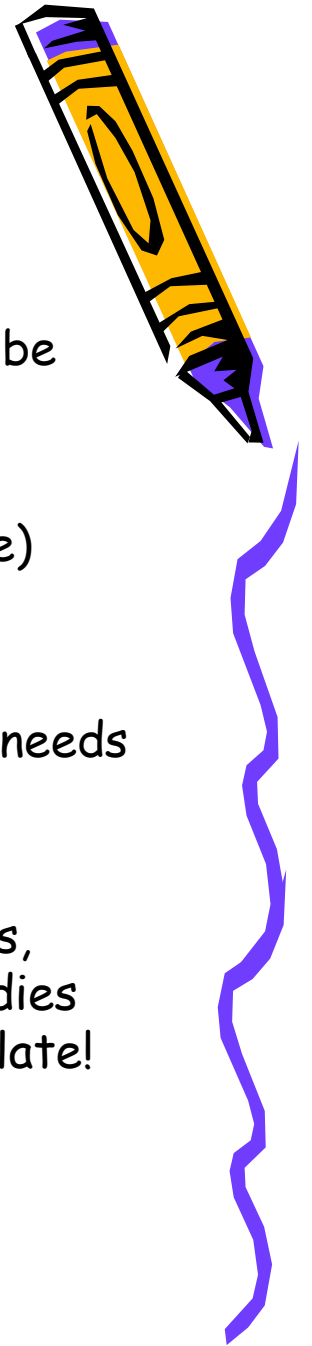

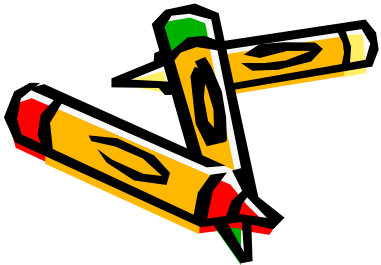

Send your child to school when.....

- ✓ they have been fever free for 24 hours.
- ✓ Remember to send them back with a note
- ✓ **they can come!!** They need to be here as much as possible!!!!

Don't Forget...

- Fill out any paperwork that your child has not yet turned in.
- Please let us know of any changes that happen at home ~ you'd be surprised how these changes can impact your child at school.
- For important information (i.e. changes in how children go home) please send us a note or call the office.
- We are not allowed to go into children's book bags. Your child needs to be responsible for returning daily folders and red folders.
- Please send in an extra pair of clothes (socks, underwear, pants, shirt) for your child. We get so busy that sometimes little bodies forget they need to use the bathroom OR they remember too late!

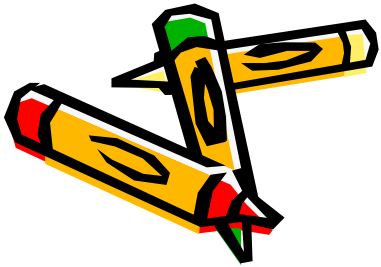

The more you support your child's education with time at home, the more successful your child will be at school.

It was great meeting you tonight. We are really looking forward to working with you and your child this year!

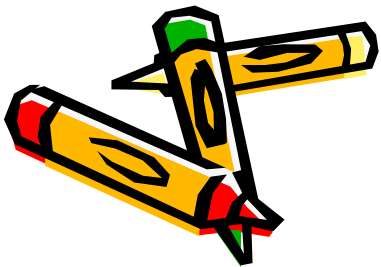

Please visit your child's classroom to hear more information from your child's teacher.

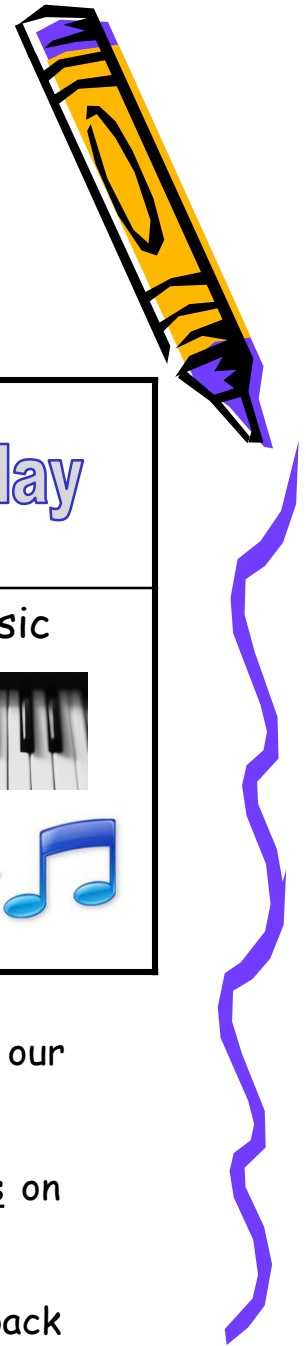

Back to School Night Packet
