

## Welcome to ClasTag at GFES

### Introduction

Georgian Forest staff use ClasTag to keep families connected with our school community. With ClasTag, families can...

- Connect anytime to receive announcements & reminders in your preferred language
- Stay on top of To-Do's and Events
- Pick parent teacher conferences slots
- Easily access and upload to your child's portfolio
- Send messages to your teachers directly
- See videos and pictures from class

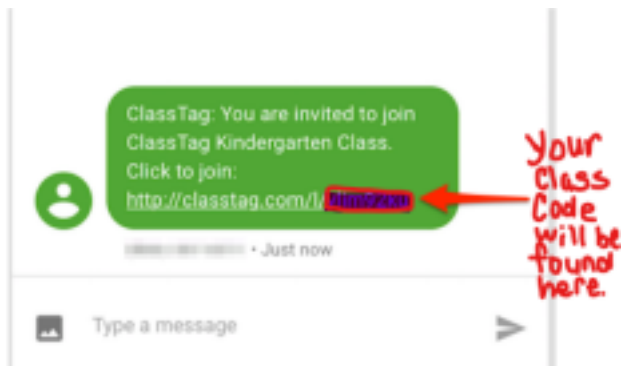

Users can log in on ClasTag using either an email address or a mobile number. We strongly recommend downloading the mobile app from the [App Store](#) or [Google Play Store](#) to make it easier for you to receive notifications.
