Dear Georgian Forest Staff and Community:

I am thrilled to be writing to you today to introduce myself as the acting Principal of Georgian Forest Elementary School. Over the next few weeks, I will be scheduling opportunities to meet with students, staff, and Georgian Forest families and community members. I look forward to listening to your ideas and vision for our school, learning from you about our community, continuing the teams' excellent work and leading with you through this school year together.

Earlier this school year, I had a desire to return to principalship and waited for a school that I believe would match my interests, skills and passions. I'm coming to Georgian Forest from the Office of Teaching, Learning and Schools as a Director of Learning, Achievement and Administration where I spent the last 3 years supervising 21 elementary, middle and high schools in the Damascus, Poolesville and Springbrook Clusters. Prior to being a director, I was a principal at Glenhaven Elementary for four years, just a short distance from our school. Prior to my time at Glenhaven, I served as a Principal for six years at Adelphi Elementary School in Prince George's County Public Schools (PGCPS) and also two years as an Assistant Principal at University Park Elementary School.

I would like to offer a huge thank you to Dr. Mann for her devotion and leadership over the years and for her support of the school community and our school system, particularly during this unprecedented world health crisis. I wish her and her family well.

I look forward to meeting with staff, students and parents to hear about your ideas and feedback for our school and to get to know you. As a nation, county, and community, there have been many challenges that we have faced this past year. This is an opportunity for us to continue to work together. I am honored to be a part of the Forest community through the remainder of the school year.

Please be on the lookout for scheduled meet-and-greets. Also, I will see you if you are dropping off your child in the morning or picking them up in the afternoon. I can be reached at [MaryJane.Q.Ennis@mcpsmd.net](mailto:MaryJane.Q.Ennis@mcpsmd.net) or at (240) 740-0720. I look forward to getting to know you and spending time learning about our school!

Sincerely,

*Jane*
