PRINCIPAL'S MESSAGE

Parent-teacher conferences will be held Monday, November 11th and Tuesday, November 12th. The conferences are an important opportunity for parents to spend some one-on-one time with their child's teacher and to discuss how their child is doing in school. Conferences also can help parents and teachers find ways to work together to improve student learning. Please check to make sure you know the date and time for your conference. We have a packed schedule of conferences, so please be on time for your conference.

5 Questions You May Want to Ask your Child's Teacher

1. May I see samples of my child's work and the books being used?
2. What are my child's strengths and needs?
3. Is my child performing at grade level in reading, writing and math?
4. Have you observed any special interests or talents my child may have?
5. How can I help at home? What role should I play in relation to homework?

Donuts with Dads and WATCH D.O.G.S. Kickoff Tomorrow!

This Friday, November 8, we are having our annual Donuts with Dads and annual kick off event for our WATCH D.O.G.S. program. The D.O.G.S. stands for Dads of Great Students. But it's not just for dads. It is also for grandfathers, uncles, neighbors, friends, or any significant male figure in your student's life. The program encourages these male figures to spend a day at school, observing and helping in their child's class, volunteering at lunch and recess, and doing other visible activities around the school. Please come to the kickoff on Friday morning to help learn more about this fantastic program. The kickoff event is from 8:00 a.m. to 9:00 a.m. Dads and other significant males can enjoy a donut or bagel with their student. And then, as an added bonus, they can stop by the Book Fair in our media center when the WATCH D.O.G.S. Kickoff is done.
