

Dear Kensington Parkwood Community,

We welcomed 93 KP SOARing Eagles this week to begin our 4-week summer program. Children have engaged in a variety of learning experiences including mathematics, reading, writing, and P.E. Children are going to the Media Center & checking out books. We thank the community for their patience with bus arrival & dismissal this week.

Classroom teachers and I will utilize Synergy/ParentVue during summer learning just as we do during the school year. If your child will be absent please notify Kathleen Allen, KP Secretary and Registrar, via email at Kathleen_M_Allen@mcpsmd.org. In addition, we will post any updates on our KP website (phones down, late buses, etc.).

We are excited to welcome Esther Obinna from DHHS as our summer Health Tech.

Looking Ahead to July 11th.....

- The lower parking lot entrance will be our Summer School's main pick-up and drop-off location for walkers & car riders. Car riders should not be dropped off or picked up in our upper parking lot. This is for buses only.
- Students who come late should be signed in by a parent/guardian in the Main Office.
- If your child needs to be picked up early, parents should come to the front office to sign them out.
- Please notify your child's teacher & Kathleen_M_Allen@mcpsmd.org if there is a change in dismissal or an absence.
- School Supplies [click here](#)
- Transportation List [click here](#). We ask that you arrive 10 minutes early to bus stops for both arrival and pick-up. Please note that bus stops are NOT the same as during the regular school year.
- Free Breakfast/Lunch Menu [click here](#). Food items may change.
- Master Schedule [click here](#)
- Next Week's Theme: SOARing Into Space [click here](#)

We look forward to seeing your children in class for Week 2 of summer learning!! If you have any questions, please feel free to reach out.
