MCPS Summer Adventures: A Self-Pace Option to Summer Learning

Montgomery County Public Schools is offering self paced online learning opportunities for students in Kindergarten through 8th Grade.

At Kensington Parkwood, we recognize all family schedules are different and hope this learning experience provides flexibility for students to participate when it works best for them. Please use the provided database to view what is offered. If your child would like to enroll in a course, they simply click the URL link and follow the steps that are shown.
