ParentVUE Information:

We are receiving an enormous amount of emails and calls regarding our new system and we are working to support our community with this. Please know any changes we make on our end will take a couple days before it is reflected in the new system. We are asking that you utilize the technical support provided by MCPS for any questions regarding specifics. Please call 240.740.7020 Monday through Friday from 7:00am-8:00pm. You can also email communitytechsupport@mcpsmd.org. Your patience is very much appreciated.

Student Materials Distribution:

This is just a reminder that we will be distributing student materials today from 2:00-4:00pm and then again tomorrow, 8/28 from 9:00am-12:00pm. While students will not need these materials for the first day of school, we highly recommend picking these items up.

1st Day of School:

Monday, August 31st will be our first day of the new school year. We will be sending out a KP Zoom Directory which will provide all Zoom links needed. Please keep an eye out!

We love our KP community and appreciate your patience and flexibility as we work to ensure a smooth start to our year. Together, we will SOAR!
