Kensington Parkwood Elementary School
Home of the SOARing Eagles

We hope everyone had a wonderful Thanksgiving with time to rest, enjoy each other and maybe do a little online shopping. We know the holidays can be stressful in a normal "time", and during this pandemic, perhaps even more stressful.

MCPS Parent Preference Survey Extension & THANK YOU!

Thank you to everyone who completed the parent survey regarding in person/virtual learning. ***The deadline has been extended to Monday, December 7, 2020***. Please complete this survey if you have not yet done so. The survey numbers are pretty even- half of you would like to stay "virtual" and half would like to be "in person". There are three models schools can choose to utilize- and we can use a combination of the models throughout the school.   As always, there will be more updates to come regarding the transition to in person and we will be sure to share them when we receive them.

MCPS November Presentation

Join Us for Reading Night

Parents, please join us December 15th for KP's Literacy Night! Molly Woods, our Reading Specialist, and Regan Kelly, our VP for Academic Enrichment, will examine essential elements of effective literacy programming based on current research and findings. Additionally, we will explore the components of our new literacy curriculum, Benchmark Advance. Finally, we will give tips for helping your child at home. We want to ensure parents have the tools needed to support their child's literacy development. The presentation will follow PTA business. We hope to see you there!

Reading Night Flyer

From the KPPTA: Cookie Baking w/ Karen Rappaport from JennyCakes

Join Karen Rappaport (a professional baker and former JennyCakes superstar) as she walks us through how to make some sweet treats that are easy and delicious. We'll provide the recipes and list of ingredients needed. Come ready to have fun!
