The following topics will be covered in this weeks community message:

- Bar-T Update
- MAP Testing
- Chromebook Help
- Calendar Reminders

Bar-T Updates

Bar-T has partnered with Black and Brown Coalition for Educational Excellence and The Childrens Opportunity Fund to provide programming needs for families that may be struggling financially with daycare needs for their children during the school age. In order to gauge interest and need, please complete the google form below.

MAP Testing

K-5 students are still undergoing MAP testing and we thank you for your support and perseverance through this new process. We want to remind you that due to the emergency closure of school buildings this past spring, the Maryland State Department of Education (MSDE) **requires** all local school districts to administer a fall diagnostic assessment in math and literacy to students in grades Kindergarten through 12. This test has never been given in a virtual setting and we are working our hardest to help students troubleshoot when problems arise. We ask for your grace as we work together to navigate this new platform.

Chromebook Help

We no longer have Chromebooks at KP. If you are experiencing problems with your child's Chromebook, please head to 45 West Gude Drive between the hours of 9:00am and 4:00pm Monday through Friday. Technicians are onsite to diagnose, fix, repair, and exchange if necessary.

Calendar Reminders

- Monday, September 28th No School
- Friday, October 1st Early Release Day, school concludes at 11:30am
