Happy fall everyone! We hope you are enjoying the crisp, cool air as we transition to the beautiful colors of the season. As we visit classrooms and meet with teachers, we continue to see high quality, engaging instruction in our virtual setting. From classroom teachers and specialists to interventionists and student support groups, we are proud of our students, staff, and community for their perseverance and commitment to online learning. Thank you for your continued support, patience, and grace during this time. Below you will find important updates regarding Free & Reduced-Priced Meals applications, room parents, vaccinations, and directory information.

### Room Parent Update

Thank you to all of those who have volunteered to be room parents this year for our classrooms! As with everything thus far this year, traditional experiences may have to be reimaged and we thank you for that work.

Please be on the lookout for communication from classroom teachers on behalf of room parents. Although we can share class lists, we cannot share personal information such as phone numbers or email addresses. Room parents will be collecting this information separately.

### Keeping Our School Grounds Clean

Our phenomenal building service staff has been keeping our building and school grounds clean. We ask you to support their work by cleaning up after your pets as you walk through our school grounds. Thank you for your help as we want our school to be a place of pride for all.
