Dear KP Community Members,

Thank you for keeping your eyes on all the information we are sending out. We know there is an overwhelming amount to read as parents and we appreciate your efforts!

### MCPS Parent Preference Survey - Due 12/3

Please use the links below for easy access. As you complete the survey, please keep in mind that you are making a choice and not simply giving input. Also, if you choose not to complete the survey you will be selecting the virtual option by default. While we recognize you are being asked to make choices with many unknown factors, it is advised that you think specifically about what will meet your family's needs. Additional factors, such as teacher and other student pairing, are not known at this time.
