Welcome Back, Principal Ross

A heartfelt thank you to the entire KP community as I transition out of my Intern Practicum and we welcome back Principal Ross! Please look for our addition to the KP Monthly Newsletter coming to you soon for a message from each of us.

Student Materials Distribution:

Thank you to everyone who came out to pick up materials for Marking Period 3. **I want to make you aware we distributed science materials for all students for Marking Periods 3 and 4. The link below will take you to a chart so you know what you should have received for science instruction. It will be critical for students to find a safe spot for these materials as we DO NOT have any extra.**

[Science Materials K-5](#)

Beginning February 1st, all materials will be placed by the front entrance of the building for a two week grace period, between the hours of 9 am and 3 pm. Bags will be color coded by grade level with signs so you can quickly grab what you need if you did not make it to distribution last week. There is no need to call the school first during these two weeks.

Black History Month Art Contest at KP

Check out this amazing opportunity brought to you by our KPPTA! Click the flyer below for more details. We can't wait to see what our students create!
