

Kensington Parkwood Elementary School

Home of the SOARing Eagles

We know the anticipation is growing as the return of limited in person instruction is scheduled to begin for students on March 1, March 15th and April 6th. Monday evening the most up to date class lists indicating if your child is *returning in person, virtual or waitlist* will be posted on your teacher's canvas page. In addition if you are in need of transportation or if your plans have changed please communicate this to Mrs. Allen. Email is best Kathleen_M_Allen@mcpsmd.org

If you were unable to attend the webinar held last week the entire slide deck and accompanied FAQ is posted on our website and available at any time for your review.

Orientation

We will also provide and post a modified school orientation update that will include details regarding our arrival and dismissal procedures, updated COVID health protocol information. Additional information regarding the A/B week rotation is also forthcoming. We want to make sure siblings and math classes are paired correctly. We are unable to support requests for pod pairings.

Bar-T

Bar-T will offer limited before and aftercare but we will not continue to host learning hubs.

Thank you! There is a great deal of information to be shared and we thank you for your continued support.

Calendar Updates

- ❖ March 1st - Autism Program Start Date
- ❖ March 8th- No school professional day
- ❖ March 9th-10th Teacher preparation for in person return
