R.R.R. at PES

This year we will again be focusing on the three R’s at Poolesville Elementary.

Students will be:

*Respectful

*Responsible

*Ready to Learn

We will be focusing on these through the school building. Students will be taught the expectations and rewarded when showing them. Students will be earning tiger tokens and will be allow to trade them in for special prizes or activities. We are really looking forward to a great year!!

Students can meet with a counselor by...

- Completing a referral form outside the door of the counseling office across from the media center
- Talking to a teacher.
- Talking to a parent.
- (Parent Referral Forms will be located in the counseling office and on the PES website—counselor’s corner)

A note to Parents

An elementary counselor promotes school success by assisting students in acquiring the skills and attitudes necessary for academic achievement.

Counselors work as a team with staff, parents and community to enhance students’ positive self-concept, problem solving, and interpersonal skills.

I look forward to working with you this year!
