

Counselor Connection

Mrs. Marissa Privman

Full-Time Counselor

marissa_p_privman@mcpsmd.org

Grades K, 1, 2

Mrs. Rebecca Lavo

Full-Time Counselor

rebecca_k_lavo@mcpsmd.org

Grades 3,4,5

The logo for 'Leader in Me' is displayed on a dark blue rectangular background. The text 'Leader in Me' is written in a stylized font where 'Leader' is red, 'in' is green, and 'Me' is blue. A small registered trademark symbol (®) is located to the right of the text.

Dr. REMES is in its 3rd year of the Leader in Me curriculum. Students have been working on the 7 habits since the start of the year. As a school, we are staying focused on helping students be leaders every day and fostering leadership in each of them. Each class has created a Wildly Important Goal (W.I.G.) and every quarter, we recognize two SOARing leaders in each class.

SGA

Student Government Association

Our Student Government Association (SGA) is doing great things!

We had a fantastic Kindness Week and a successful winter gear drive! Thank you to everyone who donated! During the week of February 26th, we are putting together a collection for Comfort Cases. Stay tuned for more details!

Counselor Connection

At McNair we have been implementing Restorative Justice (RJ) throughout the year. We are continuing to building relationships by each classroom holding morning meetings. We will continue this practice throughout the rest of the year. It's a time for the class to come together and work on social emotional skills, friendship and peer relationships as well as solve any classroom concerns that may have occurred. We are using restorative conversations with peers who are struggling to solve problems. These conversations allow students to reflect on their feelings and behavior. They also help restore the relationship between the student either by allowing students to return to being friends or deciding on being respectful classmates.

**We are here to support your child and help them have
a happy and successful school year.**

Please contact us to discuss your concerns.
